Orange Memorial Park Main Playground

Project Boundary

Planned Improvements

- Accessible play structures
- Sensory and interactive play elements
- Adaptive equipment
- ADA-compliant surfacing and pathways
- Seating areas
- Gathering spaces

Proposal Evaluation

- Demonstrated experience designing universally accessible, all-abilities playgrounds, including inclusive play equipment, accessible surfacing, ADA compliance, and engagement with disability-focused stakeholders.
- Demonstrated success leading inclusive, multilingual community engagement efforts that effectively reach South San Francisco's diverse population.

Centennial Trail Park North

Project Area

Planned Improvements

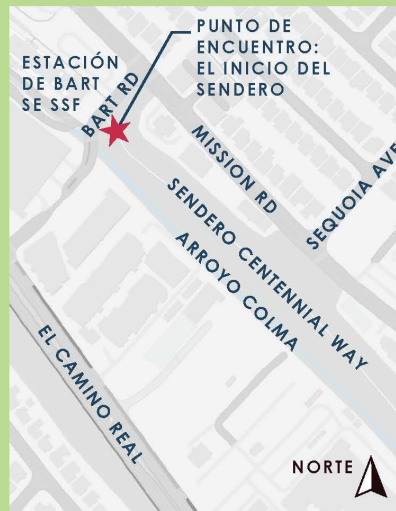

- Outdoor classroom
- Children's playground
- Lawn and passive recreation areas
- Skate features
- Widening of the Centennial Way Trail
- Enhanced trail lighting
- Potential pedestrian connection from Mission Road

Engagement
