Household batteries, cell phones, and used motor oil & filters are recyclable too!

Place used household batteries and cell phones together in a clear bag, seal, and put **on top** of the lid to your GARBAGE cart.

Please put tape over both ends/terminals of each used lithium and 9 volt battery, and wrap cell phones in paper.

Place used motor oil and filters next to your **RECYCLING** cart. Contain used motor oil in original or other labeled jug with screw-top lid. Jugs must be 1-gallon or smaller. Contain used oil filters in clear, sealed bag. Limit of 5 gallons of oil and 5 filters per collection day.

1383 Compliance

SSF Scavenger assisted City staff with all things SB 1383:

- **Providing green bins, slim-jims, kitchen pails, recycling tote bags, educational handouts, and technical assistance to businesses and multifamily residential properties as they add organics service. We are in the process of enrolling over 850 condo units in the Westborough and Stonegate areas in the Organics Program.**
- **Conducting cart/bin reviews to assess quality of waste sorting. Leaving instructional notices for poor sorting and “Thank You” notes for perfect sorting. Over 1,100 reviews conducted in 2024.**
- **Including messages regarding the importance of waste reduction, proper sorting, and overall SB 1383 compliance in our outreach.**
