Bus Shelter Design

Procurement Methods

1. Competitive Bidding for Construction Projects

- * Cost is generally the sole determining factor

2. Open Market Procedures for Vendors (Supplies and Equipment)

- * Cost > \$25,000, required to solicit the project through an RFP
- * Cost can be only one factor in selection (SSFMC § 4.04.080)
- * Federally Funded, do not include state or local geographical preferences.
- * Nondiscrimination and equal opportunity for all vendors.

3. Open Market Procedures for Architectural and Engineering (A&E) Professional Services

- * Consultant is selected through a qualifications based selection (Gov. Code § 4526.)
