

MELP  
*free*  
FOR THE ^ MEDICAL  
EQUIPMENT YOU NEED

## OUR MISSION

To **create medical equity** and **improve lives** by providing used durable medical equipment at no cost to those who need it, while **helping the environment** by re-use and recycling.

## EQUIPMENT

Equipment is donated to MELP, then is inspected, repaired as needed, and cleaned for re-use to be loaned out again and again.

## CUSTOMER TESTIMONIALS

It's wonderful that MELP connects the used equipment with people who need it.

I love that we can donate these items and not have to throw them away.

At a time that feels precarious, worrisome and frightening, these wonderful people come through with exactly what you need.

Your group was so gracious and willing to help, it was like a ray of sunshine.

Without MELP we could not afford a wheelchair for my dad. Now he is able to get around the house by himself.

Thank you for making such a positive impact on people's lives. It means more than you will ever know.

See our website for more information including how to volunteer with us. New volunteers are always welcome!
