

Parking Updates

Joint Parking Place and Traffic Safety Commissions Meeting
Tuesday, December 9, 2025

Updated Vehicle Counting Sensors

Miller Parking Garage Entrance/Exit

These upgraded sensors are designed to provide more accurate, real-time occupancy data for the garage, improving the reliability of the public-facing parking availability signage that helps drivers locate open parking more quickly.

Updated Solar-Powered Vehicle Counting Sensors

Locations:

- *Cypress Ave. & Miller Ave.*
- *Miller Ave. & Airport Blvd.*
- *Grand Ave. & Maple Ave.*

These parking counter signs are part of the City's parking guidance system, which helps reduce circling, improve traffic flow, and make downtown parking more efficient.

New Traffic Mirror

Miller Parking Garage Entrance/Exit

Improves sightlines for drivers entering and exiting the facility and enhances pedestrian safety, particularly in areas where visibility is naturally limited by the building structure.

Holiday Closure

PARKING UPDATE

NOTICE TO SOUTH SAN FRANCISCO PERMITHOLDERS

Please be advised that City offices will be closed from:
Wednesday, December 24, 2025 to Friday, January 2, 2026.

If you need to pick up permits purchased for January in person, kindly make arrangements to do so before the closure.

Thank you for your attention to this matter and happy holidays.

2026 Items:

- Increased parking meter and parking permit rates
- Updated parking signage in downtown
