Current Employer and Occupation

Yes

Does your position require filing a Form 700 – Statement of Economic Interest?

If yes, please attach a copy of the most recent filing

Please list any nonprofit organizations for which you are an officer.

Questions directed by the City Council at its Regular Meeting of December 09, 2020:

Please include additional information on a separate sheet and/or attach your resume.

What do you view as the greatest issue presently confronting the City Council of the City of South San Francisco?

The greatest issue confronting the City Council is diversity, representation, and communication. The City Council sets the tone and agenda for the residents and businesses.

As someone who lives and works in South San Francisco, my interests are to preserve our small businesses and community needs while looking forward to

plan for measured growth and development. In order to work collaboratively and efficiently, there must be transparent communication to build trust.

What in your background will best prepare you to function as an elected official?

My professional experience is in operations & management, which gives me insight into looking for holistic solutions. I work with diverse teams across all levels

and am responsible for people, budgets, communications, operations and strategy for deliverables to my stakeholders. Working in service of others is important

to me, and I would like to bring my vision of a healthy South San Francisco to the City Council.

What role do you believe local government should fulfill in people's lives?

The role of local government should be to enhance the well-being of the community by being good stewards. This is achieved through sustained investments

in municipal services and infrastructure, planned growth and development, and community services. In principle, such efforts should reflect the changing needs

and ideals of the community, without leaving people behind.

If appointed, do you plan to run for city council in 2022? Yes X No

I certify that, to the best of my knowledge, all statements in this application are complete and true. I agree and understand that any mis-statement of material fact will cause me to forfeit all rights to appointment to the City Council of the City of South San Francisco.

Kimberly A. Samayoa

Site and Laboratory Operations

Program Management & Governance | Lab Safety & Compliance | Continuous Improvement Strategy & Execution

R&D professional with over 19 years of research, clinical and reference lab experience specializing in lab management, continuous improvement strategy and operational efficiency. Highly skilled in occupational space optimization, operational strategy execution, and implementing program management systems associated with research laboratories. Strong analytical and organizational core competencies, discerning ability to work in a cross-functional, team matrix environment with the scientific knowledge and technical experience to advance high level deliverable goals, and holistic strategies for operations of a dynamic research facility.

EXPERIENCE

Merck Research Labs, South San Francisco, CA

May 2020-Present

Site Operations Lead for MRL SSF, Discovery Operations

Associate Director

Site and laboratory operational support for 350+ biology and chemistry scientists, and non-laboratory staff. Capital planning & strategy; space planning; process development, implementation & optimization; program governance and compliance. Develop and execute operational strategy harmonized with site deliverables and corporate goals.

Key Accomplishments:

- Administrator for federal compliance programs
- Site Response Team for COVID-19; implementing local, state and federal ordinances, and corporate requirements on site
- Developed, implemented and optimized site best practices during the pandemic

Merck Research Labs, South San Francisco, CA

Aug 2018-May 2020

Lab Operations, Discovery Operations

Senior Specialist

Laboratory operational support for 300+ biology and chemistry scientists. Capital procurement and lifecycle management of 2000+ assets, and daily management of site lab consumable and chemical stockroom programs. Collaborate with contractors, Merck business partners, and Merck staff to drive a culture of fiscal responsibility, safety and operational readiness.

Key Accomplishments:

- Relocated MRL labs in Palo Alto and SSF to newly constructed building in South San Francisco
- Executed implementation and optimization of corporate compliance programs.
- Implemented cost savings strategies for consumables at new site (>\$700K savings in 1 year)

Kimberly A. Samayoa

Amgen, Inc., South San Francisco, CA

Mar 2015-Jan 2018
