Dear Mayor Nicolas and City Council Members,

My name is Sabine Roidmaier-Sazio and I am a resident of South San Francisco along with my brother, Philip, who has cerebral palsy. I support For the Future of Housing's project at 428 Baden Avenue because our city needs more deeply affordable housing near jobs, public transit, and services. In my experience, looking for affordable housing in South San Francisco for my brother (and even myself) has been a struggle due to limited income. This project will help other residents of South San Francisco, like Philip, who grew up in this community but because of their disability cannot afford to live here independently.

Thank you for your consideration and I very much hope to see this idea become a reality.

Sincerely,
Sabine Roidmaier-Sazio
