Subject: Grand Avenue Farmer's Market on Council agenda

Good day, Mike, and everyone on this thread.

I will be unable to attend the Council meeting, but I wanted to share my thoughts on moving the Farmer's Market to Grand Avenue.

I think it is a splendid idea for these reasons:

- I take classes at Fernekes on Saturdays, and the Farmer's Market is visited by only a few people at a time throughout the morning;
- Having it relocated to Grand Avenue will serve the community much better because
 - there are parking lots nearby
 - it is walkable
 - there are elderly people as well as the Latin community that will use it
 - it will cause those visiting the market to visit local retail stores and restaurants on Grand Avenue

San Bruno closes one or two blocks for their Farmer's Market, and it creates an atmosphere of a vibrant and robust community with people interacting and sharing.

Thank you for letting me share my thoughts, and I hope it comes to fruition.
