Payroll Specialist I/II
Class Description

Definition

Under general supervision, performs a variety of complex and specialized accounting duties related to processing Citywide payroll; functions as a liaison between the Finance Department, and other City departments and employees by answering questions and solving complicated and/or sensitive payroll problems; performs a variety of technical tasks relative to payroll; and performs other related duties as assigned.

Distinguishing Characteristics

The Payroll Specialist I is the entry-level classification in the Payroll Specialist series. Positions in this class typically have little or no directly related work experience and work under immediate supervision while learning job tasks. The Payroll Specialist I is distinguished from the II level by the performance of less than the full range of duties assigned to the II level. Incumbents work under immediate supervision while learning job tasks, progressing to general supervision as procedures and processes of assigned area of responsibility are learned.

The Payroll Specialist II is the experienced journey-level classification within the Payroll Specialist series. Payroll Specialist II is distinguished from the I level by the performance of the full range of duties assigned. Positions assigned to this class are required to carry out assigned duties and responsibilities under general supervision and receive only occasional instruction or assistance as new or unusual situations arise, and are fully aware of the operating procedures and policies of the work unit. Positions assigned to this class may be assigned to train and provide lead direction to lower-level payroll staff.
