- **Fiscal Year of Initial Finding:** June 30, 2022
- **Name(s) of the contact person:** Karen Chang, Finance Director
- **Current Status:** The City was made aware of this finding during last year’s audit. While it was the City’s intention to implement and correct this finding during FY 2022-23, significant staff turnover in the Economic & Community Development (ECD) and Finance Departments prevented the timely completion of this task. The City has included a process for complying with the FFATA requirement in the newly approved CDBG Policies & Procedures Manual, which involves collaboration between ECD and Finance to ensure all sub-awards over \$30,000, not just from the CDBG program, are entered into the FSRS system. This requirement will be met in FY 23-24.
