

Traffic Safety Commission 2026 Roadmap

Tuesday, February 10, 2026

Role of the Traffic Safety Commission

The Traffic Safety Commission reviews data, identifies safety priorities, and provides policy-level recommendations to staff to support safer streets citywide.

City Policy and Project Review and Input

Receive updates on traffic-related improvement projects, regulations, and grant opportunities (e.g. - Bike Lanes to Boulevards, Vision Zero, AB 413 Daylighting Law, etc.).

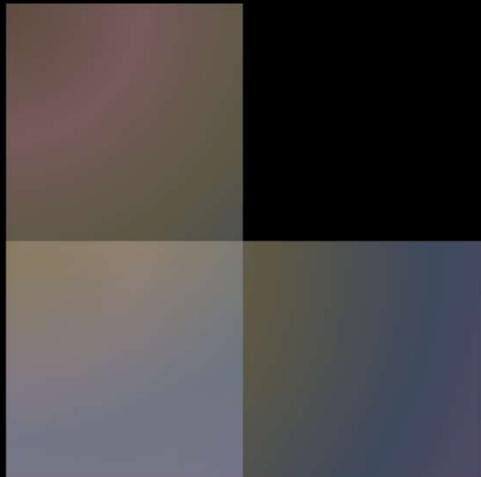

Involvement and familiarization with:

- Vision Zero Action Plan
- Local Roadways Safety Plan
- Traffic safety laws

Increase public engagement regarding city's traffic-related projects and the Commission.
