Mission Statement:

We do more than develop elite soccer talent. Through exceptional coaching and a team-focused culture we develop extraordinary young adults. For us the team is always the star. With focus on individual player development and quality of play, the outcome is always success. At every level, our gifted and passionate coaches convey five core values we strongly believe lead to teamwork and success not just in matches, but in life.

Respect. Hard work. Communication. Competitive spirit. Open-mindedness.

Additional Information:

There is a different company, Dama Technology Inc., using the office space only. Their hours of operation DO NOT overlap with ours. They are based out of east coast with only 3-6 employees who often work away from office. They are M-F 6AM - 3PM
