

Centennial Way Trail Master Plan Update

Parks and Recreation Commission Meeting
September 17, 2024

INTRODUCTION

- The trail master plan update process started in 2021 and was adopted by the City Council in February 2023
- Trail improvements within the SFPUC property were removed to allow for a separate SFPUC approval process
- Coordination with the SFPUC began in June, and a revised plan was approved in August
- This meeting will provide an update on the revised master plan
