Youth in Government Presentation

All people in the United States, *including undocumented immigrants*, have Constitutional rights and protections. Neither immigration nor the police will assume you want to exercise your rights. You are in charge of asserting them by showing your Know Your Rights card or by telling the officer you are exercising your rights.

What do I do if I get stopped by ICE?

- Don't panic. Remember you have rights.
- Ask if you are free to go
- You have the right to refuse a search
- You have a right to remain silent

note: Only provide your identification when the law requires you to do so.

What should I NOT do if I get stopped by ICE?

- Do NOT discuss your country of nationality with officers
- Do NOT answer questions
- Do NOT sign any paperwork
- Do NOT carry false documents
- Do NOT physically interfere with the search.

note: Remember, you have the right to speak to a lawyer

You can show the officer your Know Your Rights card or tell the officer you are exercising your right to remain silent. If you must speak, only say that you would like to speak to your legal representative before answering questions

You have constitutional rights:

- DO NOT OPEN THE DOOR if an immigration agent is knocking on the door.
- DO NOT ANSWER ANY QUESTIONS from an immigration agent if they try to talk to you. You have the right to remain silent.
- DO NOT SIGN ANYTHING without first speaking to a lawyer. You have the right to speak with a lawyer.
- If you are outside of your home, ask the agent if you are free to leave and if they say yes, leave calmly.
- GIVE THIS CARD TO THE AGENT. If you are inside of your home, show the card through the window or slide it under the door.
