City Clerk Rosa Acosta,

Dear City of South San Francisco Councilmembers,

My name is Amber Perkins and I am a former resident of the South San Francisco area.

I strongly encourage you to agendize and pass a resolution calling for a bilateral permanent cease-fire in Gaza. We need an end to this humanitarian crisis and a bilateral cease-fire resolution would ensure the sanctity for ALL people. This is not a political stance. We are here to just ask you all to push for a stop to this destruction and allow humanitarian aide to enter . Again, I ask you to listen with an open heart and help us by agendizing a resolution calling for an enduring ceasefire in Gaza.

BE ON THE RIGHT SIDE OF HISTORY. What will you say to your children's children when they ask what was going on at this time and what you did to either PREVENT or ENABLE a GENOCIDE??? I pray you see reason and look to your humanity. I know it eats at your souls and conscience DAILY and it will continue to do so until you move differently.

Thank you for your time,
-Amber
