

# Fire Department Radio Purchase

March 18, 2026

Library | Park and Recreation Building – City Council Chambers

# Fire Department Radio Purchase

## Current Portable Radio – Replacement Need

- Current Radios = 10 Years Old and Past Service Life
- Increase in Repair Costs
- Require New Functionality
- Difficulty in Sourcing Repair Parts
- Battery Degradation Based on Age

# Fire Department Radio Purchase

## Preferred Replacement Radio – Bendix King

- Meets or Exceeds all Federal and State Requirements
- Bright Yellow for Safety
- Increased Functionality – Such as Location Service
- Interoperable with CALFIRE and the Federal Government
- Extended Battery Life

# Fire Department Radio Purchase

## Preferred Vendor – Acme Radio Inc.

- Responsive Bidder with Lowest Quote
- Confirmed Quality Customer Service (with other surrounding fire agencies in San Mateo County)
- Attractive Repair Process with Extended Warranty
- On-Site Repair and Service

***Fire Department Staff recommend the purchase of 75 Bendix King Radio through Acem Radio Inc.***
