SUPPLEMENTAL QUESTIONNAIRE

Why do you want to serve on the Youth Commission? Why do you believe the Youth Commission is important?

I was born and raised in South San Francisco. Growing up my parents were always involved in the community. My father has served on the Parks and Rec Commission for years. I have always been involved with youth sports. I think believe that kids in our city need to have options for field space and for places to have activities. I believe that our city will do best by our city by continuing to promote activities for youth. I am an avid volleyball, pickleball, and soccer player.

I want to make South San Francisco an amazing place for youth.

The Youth Commission addresses issues affecting youth and the community through making recommendations to City Council. Please explain what you believe is the biggest issue concerning youth in South San Francisco today.

I believe that bullying is probably the biggest problem in South San Francisco. Recently my brother was in a group of kids in the summer program who were bullied by students from Alta Loma. These "bullies" had no activities or supervision in the summer. I believe we need to have more accessible spaces and activities for kids, so that they can redirect their energy. I think that we need more programs for kids.

Can you commit to attending 6:30 p.m. meetings on the third Monday of each month? ☒ YES ☐ NO
