Questions directed by the City Council at its Regular Meeting of December 09, 2020: → cont. on a separate sheet
 Please include additional information on a separate sheet and/or attach your resume.

What do you view as the greatest issue presently confronting the City Council of the City of South San Francisco?
A spiraling housing and rent crisis, as a resident of Old Town, seeing the large scale construction of property development that caters to Big Tech and Genentech with hardly no housing for low-income families/individuals, creating an exodus of gentrification...

What in your background will best prepare you to function as an elected official?
Lifelong resident of SSF; grew up a single child to a single mother. Once graduating from SSFHS, I went to CSU, Chico to study criminal justice. I have interned for former SSF Mayor and current Assembly member Kevin Mullin with the goal...

What role do you believe local government should fulfill in people's lives?
The ability to improve social, economic, and environmental sustainability and viability for the benefit of the district. When local policymakers see a budget shortfall, it means it's time to become more creative and identify/find ways to...

If appointed, do you plan to run for city council in 2022? Yes No

I certify that, to the best of my knowledge, all statements in this application are complete and true. I agree and understand that any mis-statement of material fact will cause me to forfeit all rights to appointment to the City Council of the City of South San Francisco.

For official use only: Voter Registration Confirmed Yes No 18 or older Yes No City Clerk Initials Date

1. There should be more low-income housing with rent control than investment in hotels for tourists with the help of the private sector to incentivize the creation of more workforce and have affordable housing where it is needed the most.
2. of learning about affordable housing policies and doing community service projects. I have interned for former State Senator Leland Yee with the goal of learning about constituent issues and the process of how lobbying between company/organization and politician looks like
3. make sure public services are delivered, especially those necessary to public safety. Citizens expect accountability from their elected officials regarding actions and decisions that affect everyday life in the city they work/live and/or both.
