South San Francisco, California Municipal Code

Title 2 ADMINISTRATION

Chapter 2.16 MUNICIPAL ELECTIONS

2.16.030 District-based electoral system requirements.

(a) Members of the city council shall be elected on a district-based electoral system, as defined in Section 2.16.020, from the five city council districts as illustrated in Figure 2.16.030(A).

(b) Except as provided in subsection (c), each member of the city council elected to represent a district must reside in that district and be a registered voter in that district, and any candidate for city council must live in, and be a registered voter in, the city council district in which that candidate is seeking election at the time nomination papers are issued to that candidate pursuant to [Government Code](#) Section 34882 and [Elections Code](#) Section 10227. Termination of residency in a district by a member of the city council shall create an immediate vacancy for that city council district unless a substitute residence within the district is established within thirty days after that termination of residency.

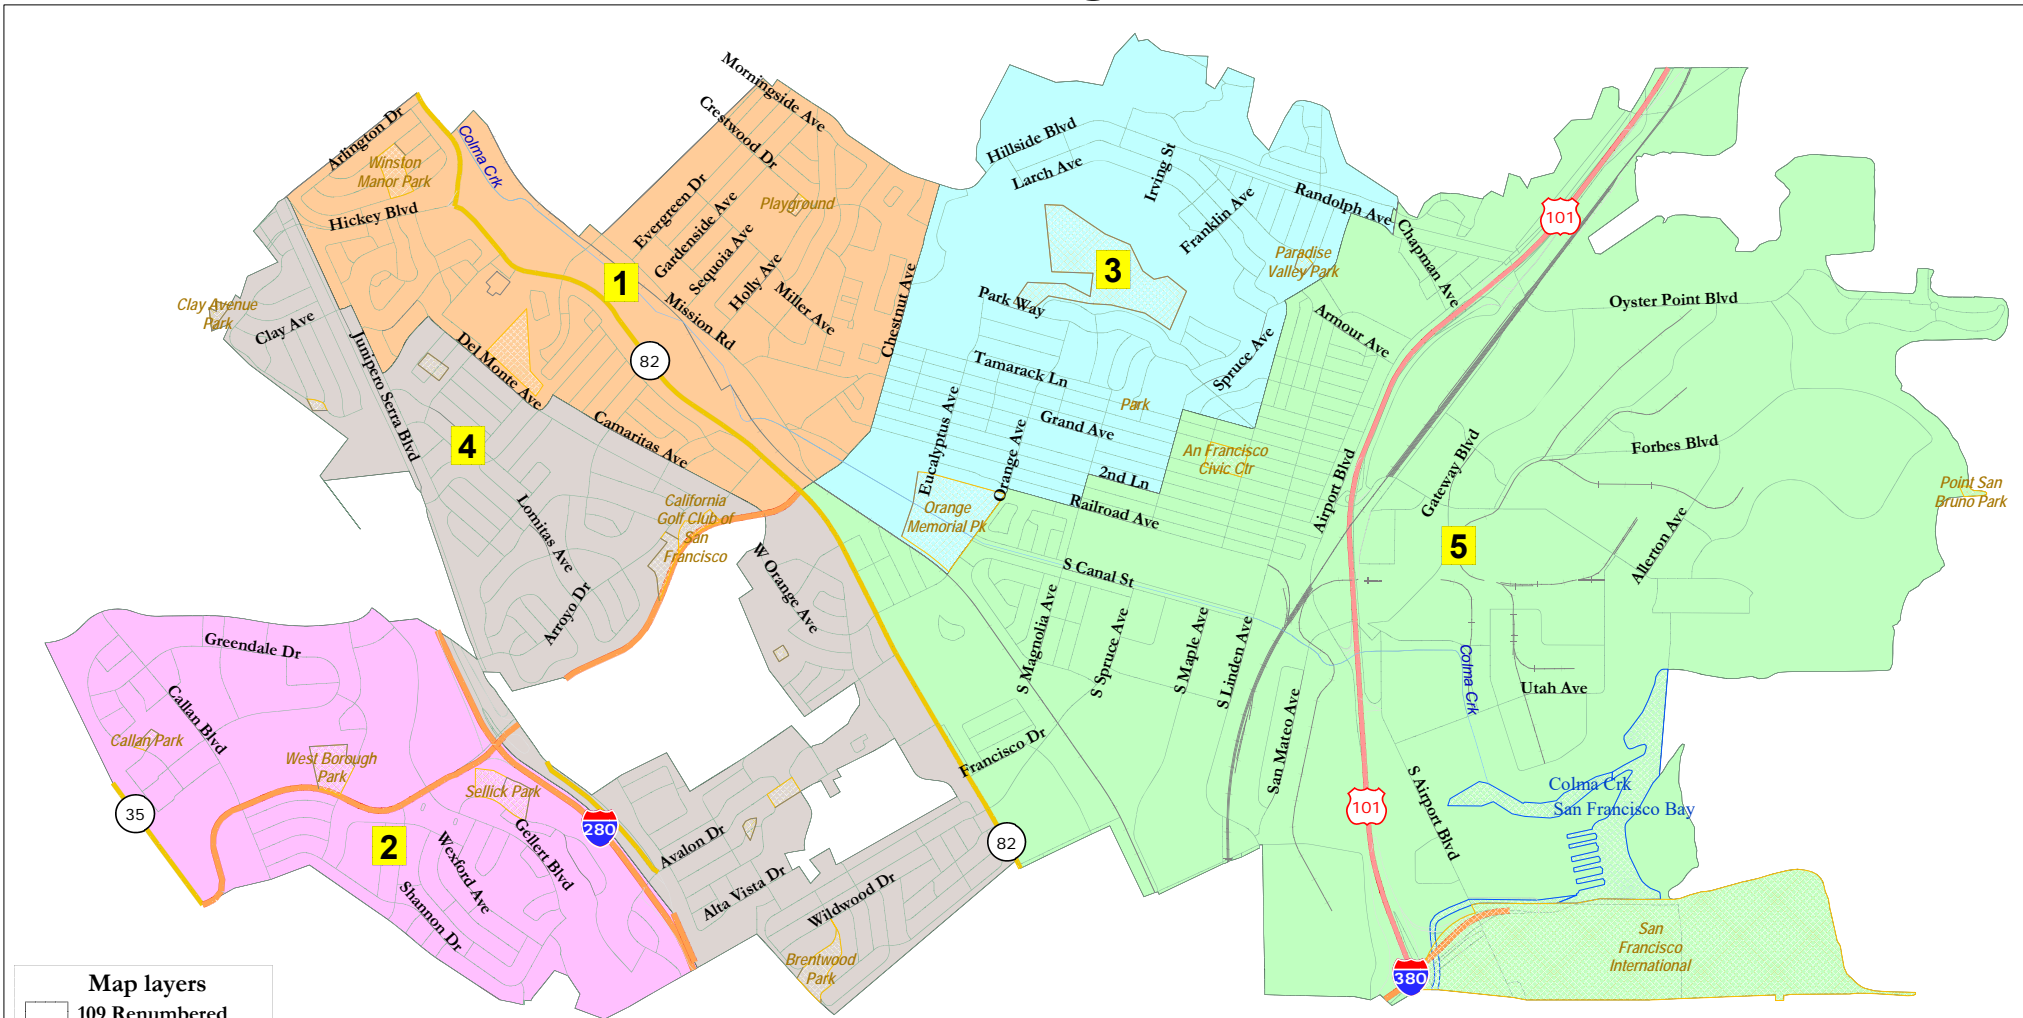

(c) Notwithstanding any other provision of this section, the members of city council in office, at the time the ordinance codified in this chapter takes effect, shall continue in office until the expiration of the full term to which he or she was elected and until his or her successor is qualified.

(d) The city council districts described in this section shall be adjusted following each decennial federal census, as required by California [Elections Code](#) Section 21600, et seq., or by other law.
