		<i>Engineers Estimate (EE)</i>	<i>\$452,908.00</i>

Procurement Method

1. Competitive Bidding for Construction Projects

- * Cost is generally the sole determining factor

2. Open Market Procedures for Vendors (Supplies and Equipment)

- * Cost > \$25,000, required to solicit the project through an RFP
- * Cost can be only one factor in selection (SSFMC § 4.04.080)
- * Federally Funded, do not include state or local geographical preferences.
- * Nondiscrimination and equal opportunity for all vendors.

3. Open Market Procedures for Architectural and Engineering (A&E) Professional Services

- * Consultant is selected through a qualifications based selection (Gov. Code § 4526.)

Construction Budget

Construction Contract	\$412,907.54
Construction Contingency (25%)	\$100,000.00
Total Construction Contract Authority Budget	\$512,907.54

Stage 1

LIMITED NOTICE TO PROCEED

WINTER SUSPENSION

- Commence by March 1, 2026

Jan – Mar 2026

Stage 3

NOTICE TO PROCEED

- Drainage Improvements
- Curb Ramp Improvements

Mar – June 2026

An aerial photograph of South San Francisco, California. The image shows a dense residential area with many houses and streets. A large, semi-transparent blue area is overlaid on the lower half of the image, indicating a flooded region. In the upper half, there is a green hillside with the text "SOUTH SAN FRANCISCO THE INDUSTRIAL CITY" written on it in white, capital letters. The overall scene is a mix of urban development and natural landscape.

SOUTH
SAN FRANCISCO
THE INDUSTRIAL CITY

Thank you!
