

Junipero Serra Blvd Buffered Bike Lane Enhancement Project

May 14, 2025

Engineering Division

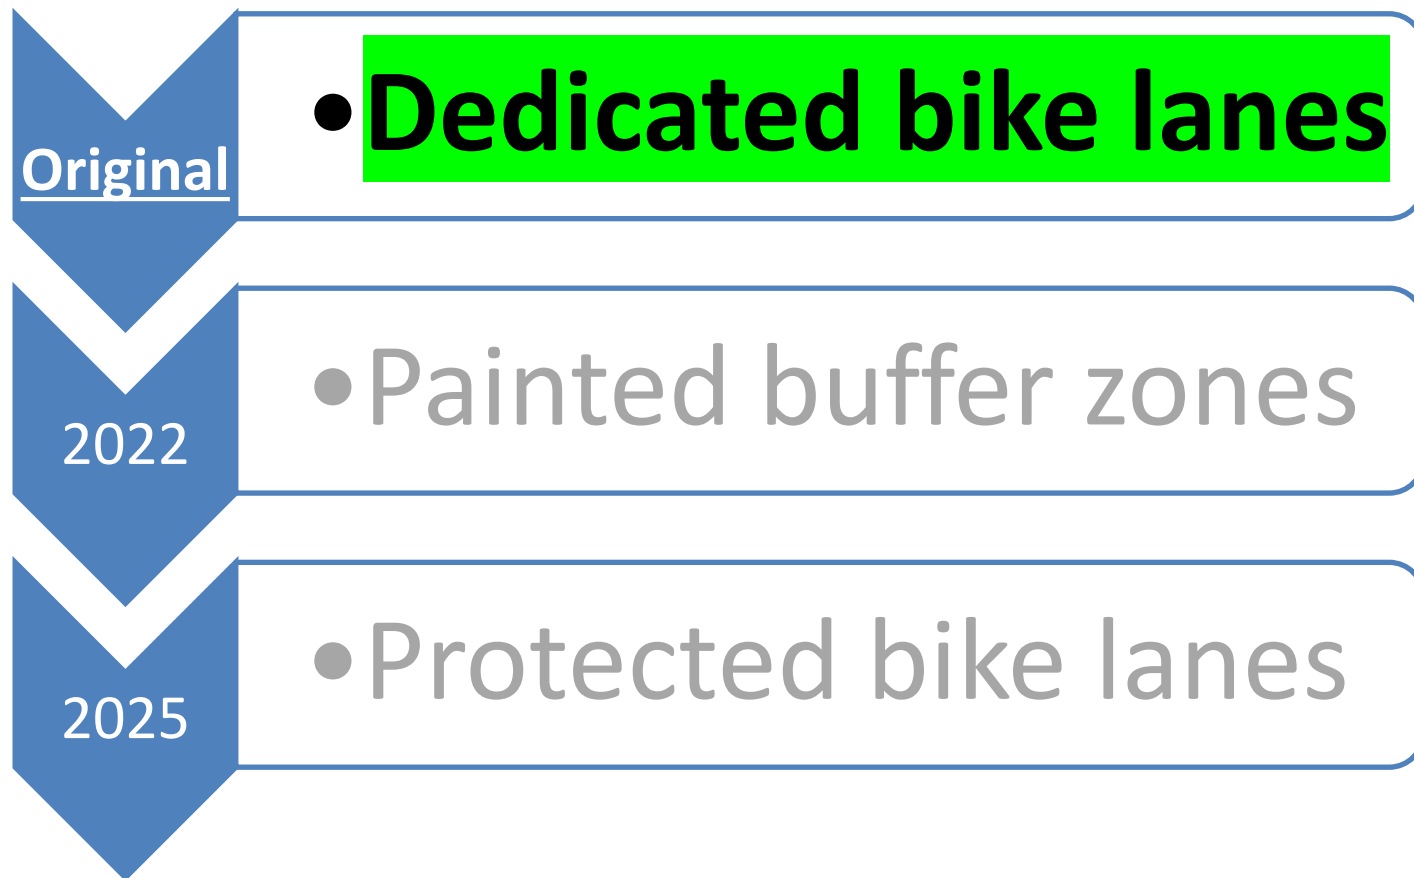

City of South San Francisco

**PUBLIC
WORKS**

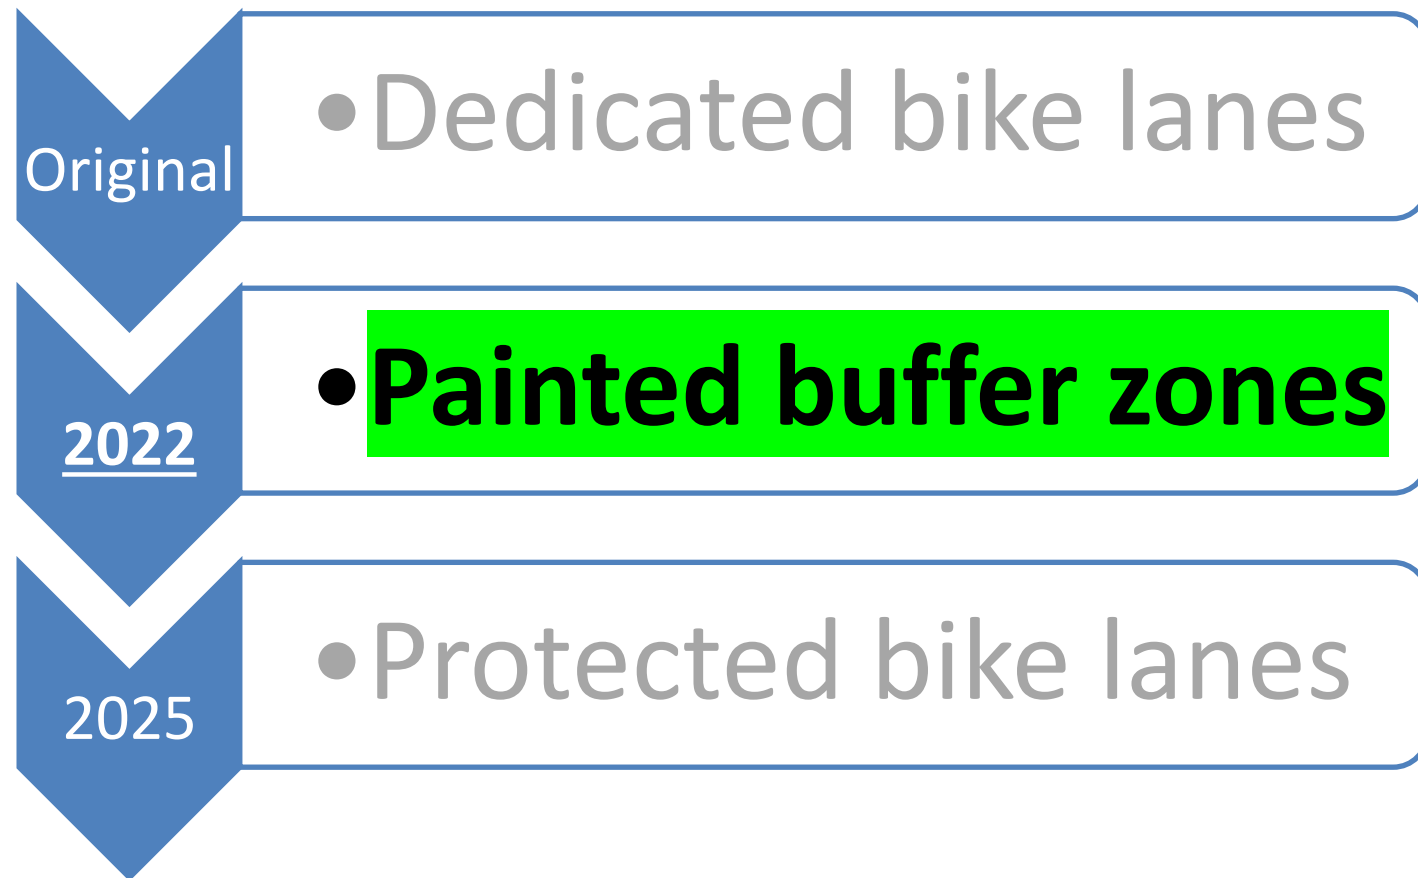

The Industrial City

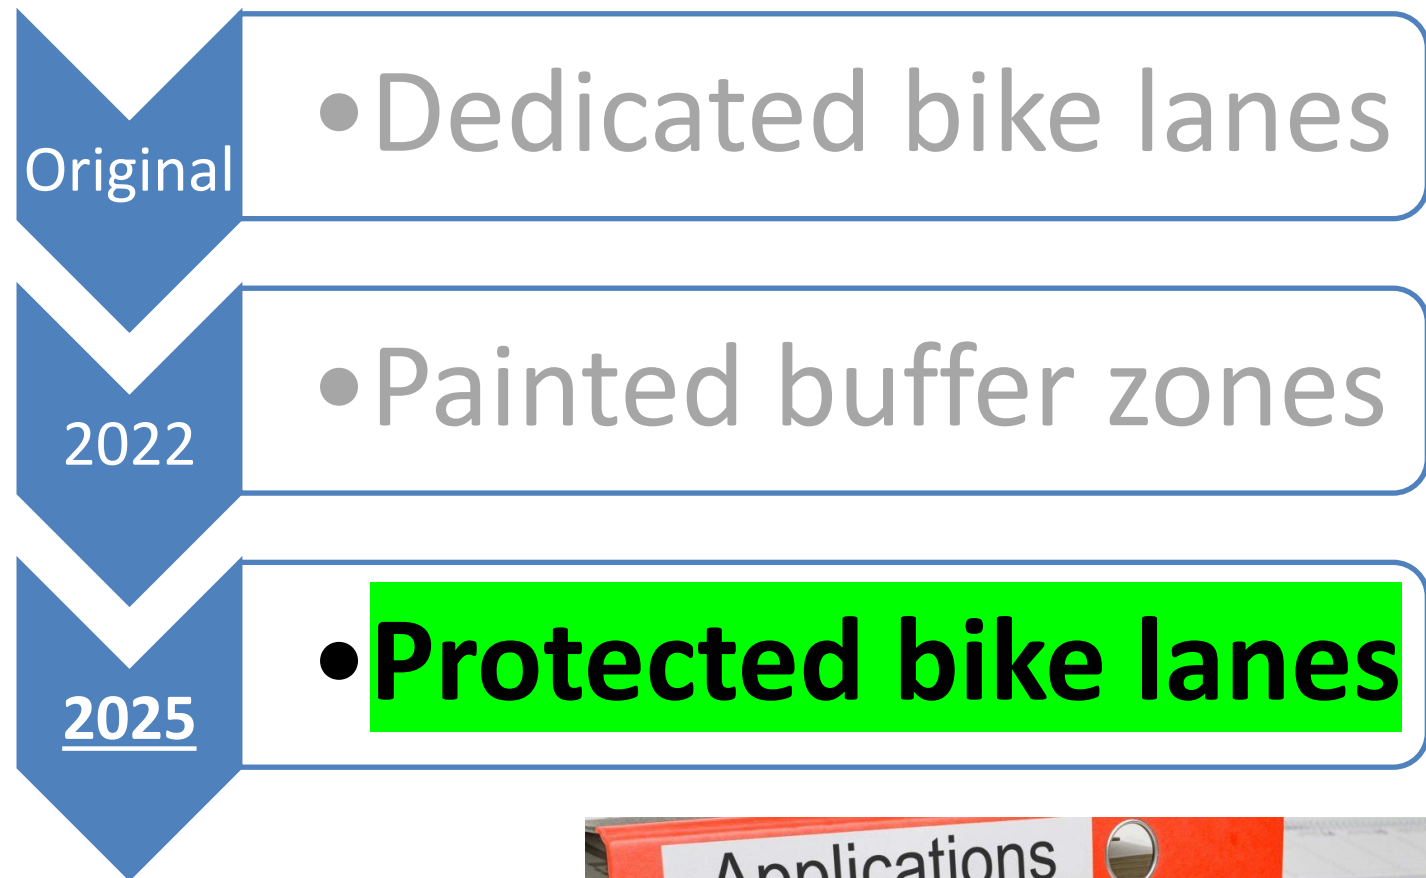

Background and History

Background and History

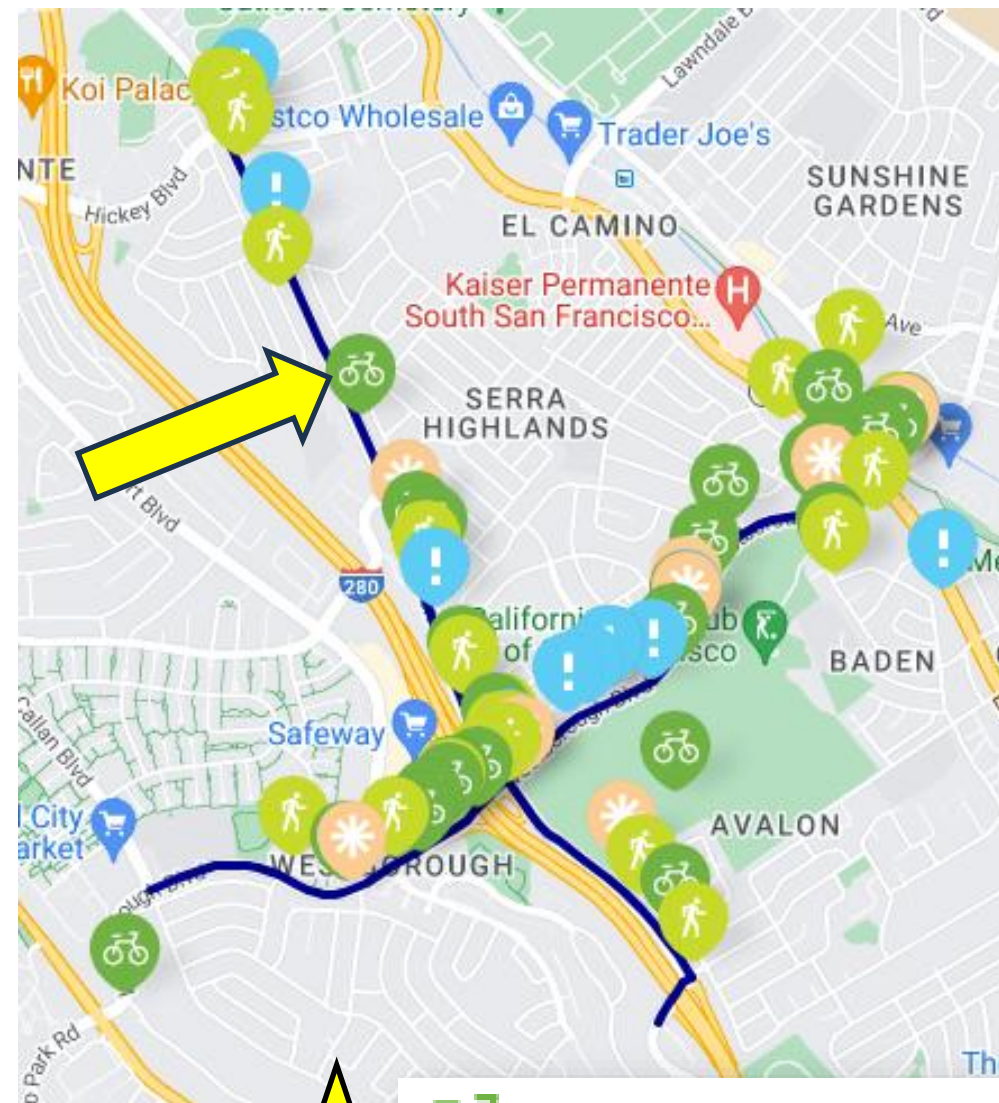

Background and History

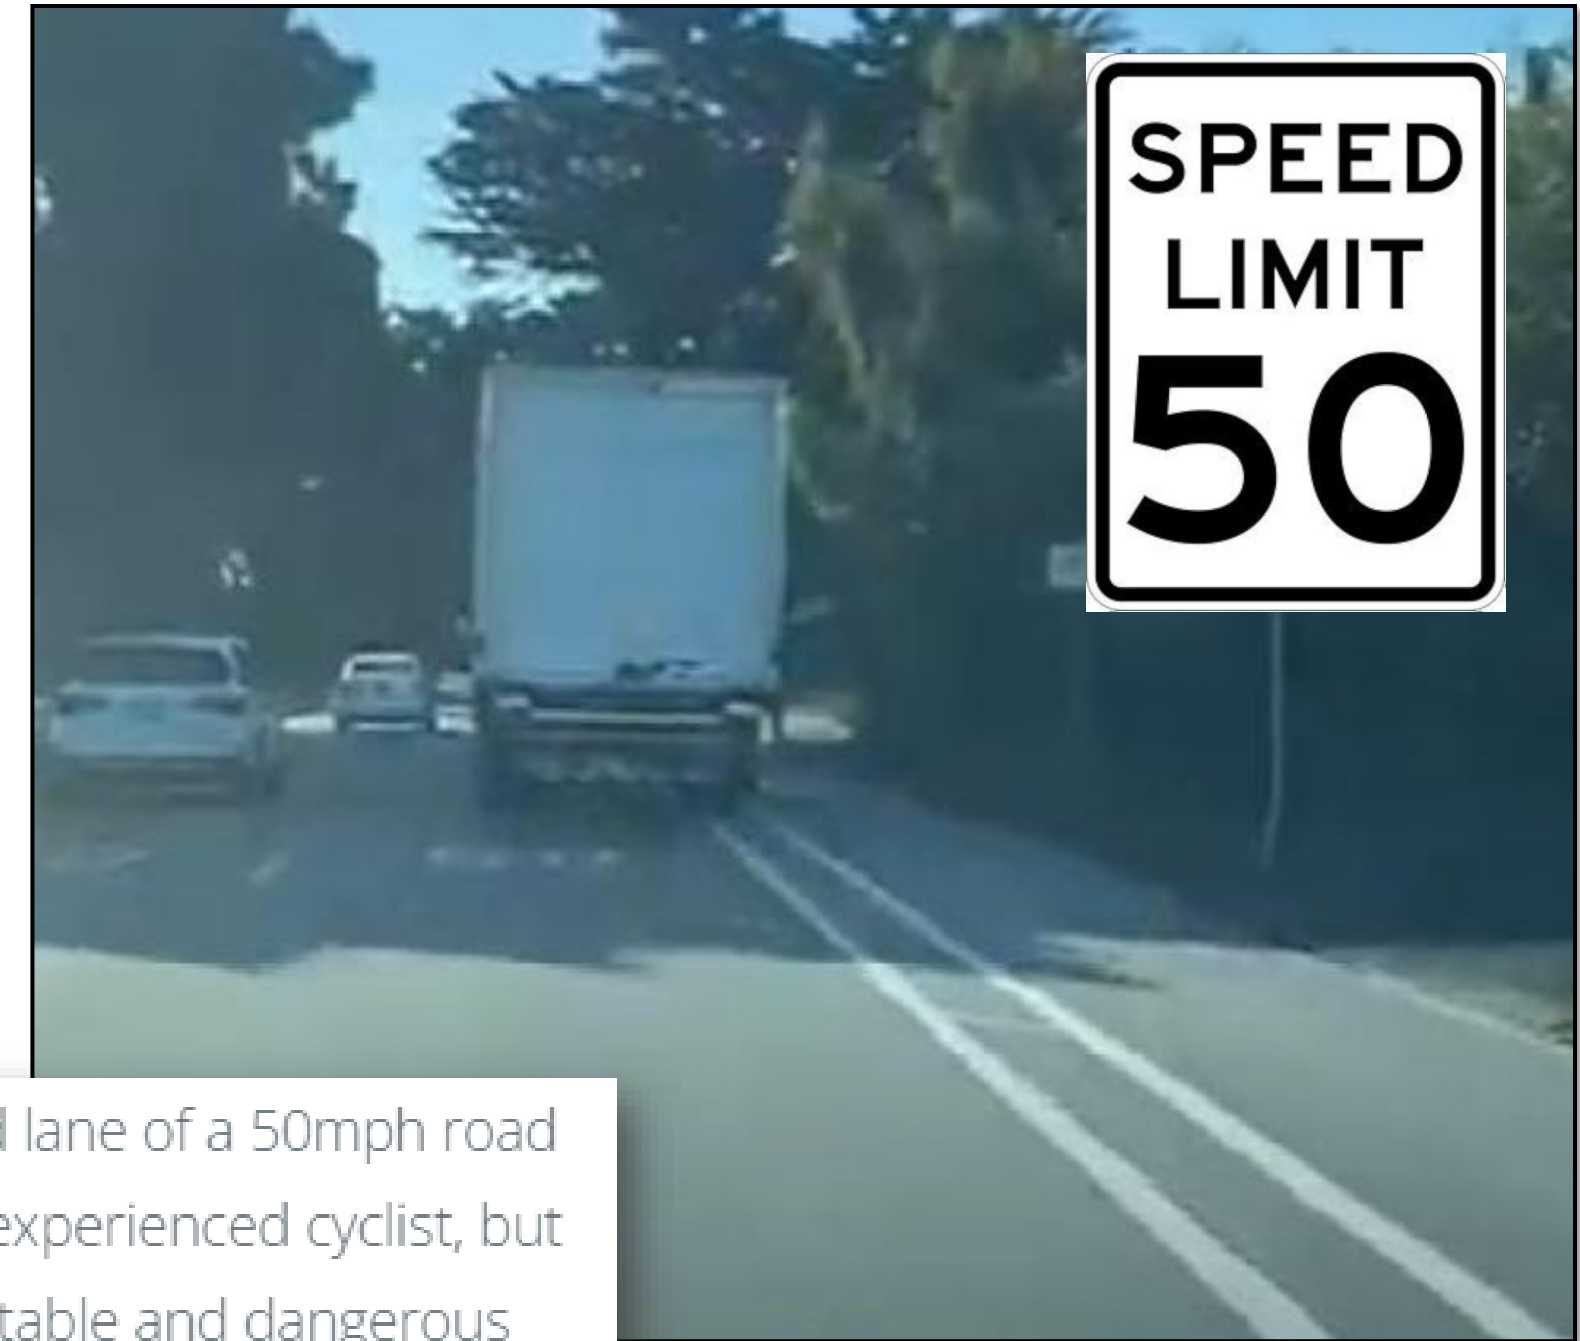

Project Necessity

Only the most skilled adult bicyclists will tolerate LTS 4 streets, where they share space with drivers on higher speed and higher traffic roadways

Biking in an unprotected lane of a 50mph road is acceptable for a very experienced cyclist, but unreasonably uncomfortable and dangerous for casual cyclists and families. Some additional protection could help.

**SPEED
LIMIT
50**

Project Benefits

Bid Results

CONTRACTOR	BASE BID	RANKING
Engineer's Estimate	\$ 430,000.00	X
Tri-Valley Contracting, Inc.	\$ 370,295.50	1
Bayside Stripe & Seal, Inc.	\$ 419,052.00	2
Chrisp Company	\$ 548,753.00	3
<i>Zara Construction Inc.</i>	<i>\$ 366,638.00**</i>	<i>Disqualified</i>

Competitive Bidding for Construction Projects

– Cost is generally the sole determining factor

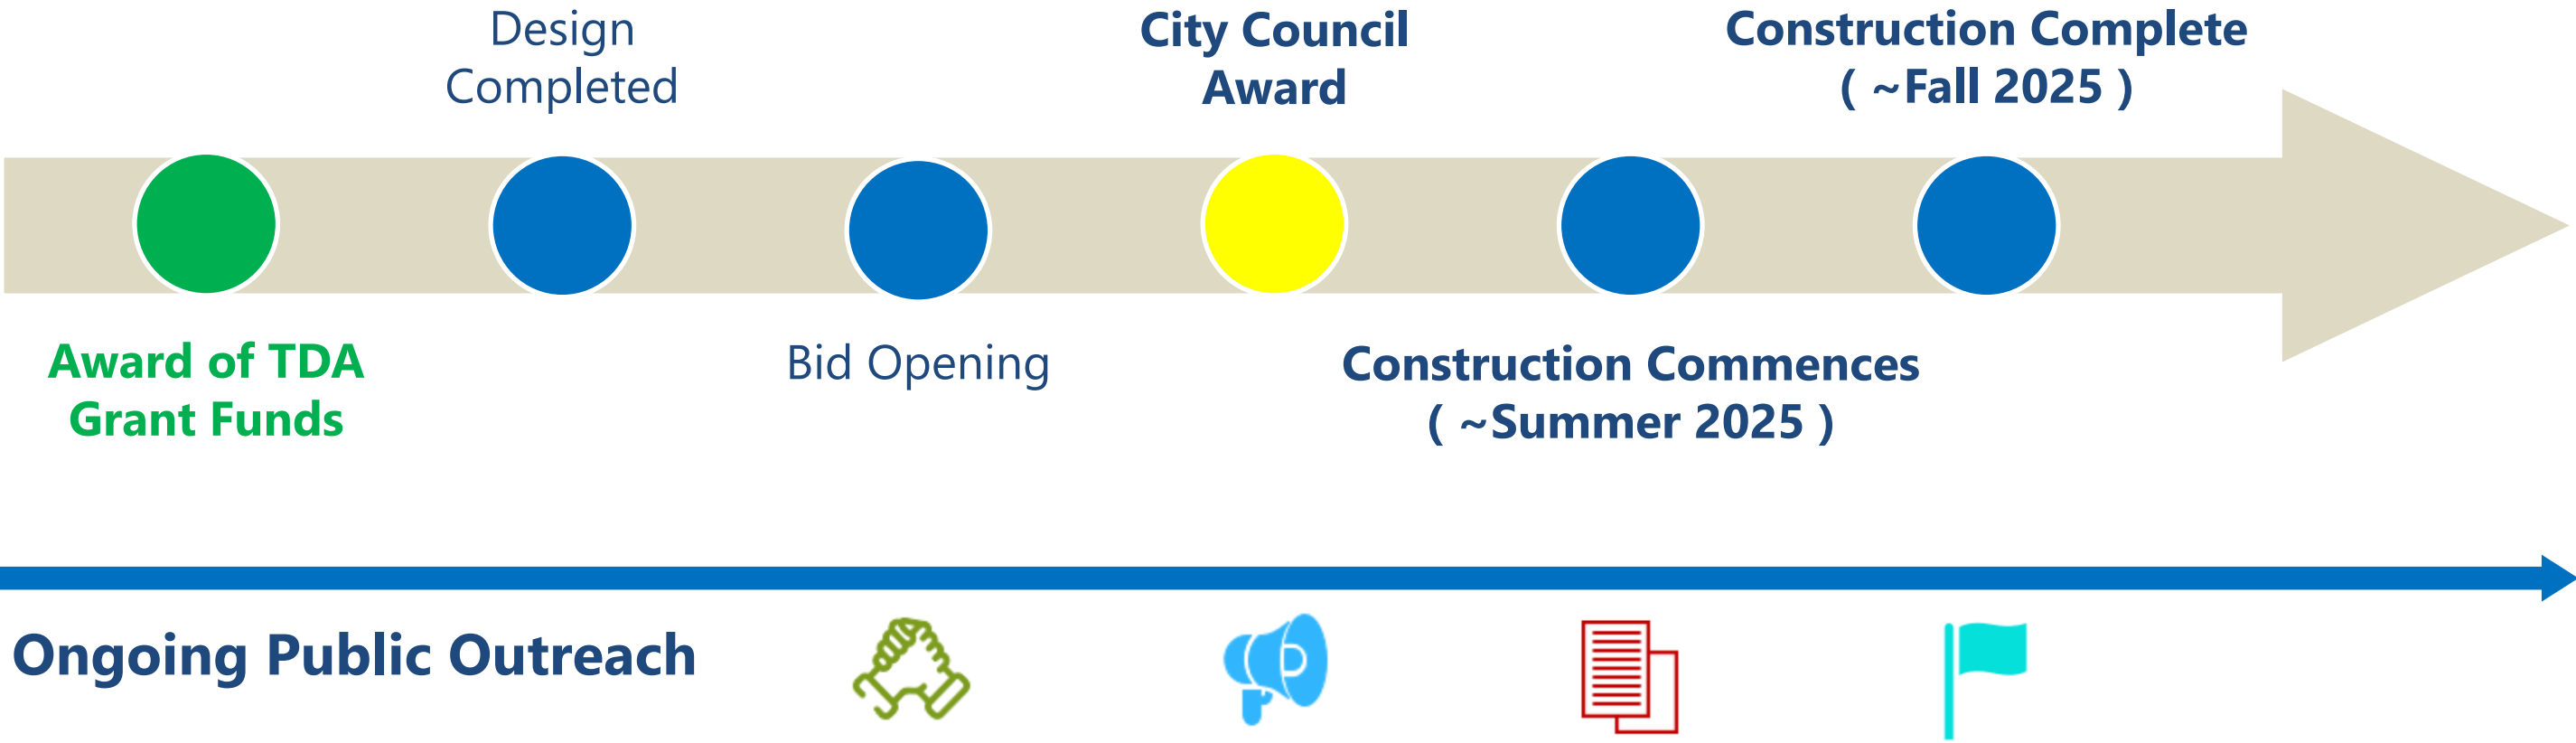

** Zara's bid was determined to be **unresponsive** as it did meet all the bid proposal requirements.

Budget and Schedule

Tri-Valley Contracting, Inc. Base Bid	\$ 370,295.50
