Reinstatement of Every 15 Minutes Program

- ❑ 2-day anti-drunk and drugged driving education program
- ❑ Challenges students to think about drinking/drugs while driving, personal safety, and the responsibility of making mature decisions when lives are involved. Held annually for several years at our high schools
- ❑ Includes reenactment of a drunk driving traffic accident with real-time emergency response
- ❑ Assembly on day 2: Students see film crew presentation from day 1, guest speakers and a funeral re-enactment
- ❑ Endorsed/sponsored by MADD (Mothers Against Drink Driving), California Highway Patrol, and CA Office of Traffic Safety. Funded by a grant made available by the CA Office of Traffic Safety. SSFPD applies for the grant on behalf of SSFUSD and there is no cost to the district.

Launched Youth Enrichment Series (YES) Program

- ❑ 5-week program designed for 5th grade classrooms (Martin, Sunshine, Ponderosa – 180 Students)
- ❑ Addresses bullying, communication, positive decision-making, online dangers, and substance abuse.
- ❑ SSFPD provides instructional materials and awards students with a show-and-tell of the department's fleet and specialty assignments (K-9, motorcycle officers, electric bicycle officers etc.).
- ❑ Prior to the pandemic, the program was approved, implementation was planned, but was placed on hold during switch to in-person learning.

Needed Areas of Improvement

- Reinstate YES Program into every school
- Continue to educate school staff on San Mateo County Juvenile Sexual Assault Protocol
- Active Killer Training/Participation in Lockdown/Barricade drills for evaluation and discussion on police/fire response
- Parent/SLO meetings for transparency and open lines of communication
- Inform SLO/SSFPD of interactive on-campus events to build stronger bonds with students through positive interactions
