SUPPLEMENTAL QUESTIONNAIRE

Why do you want to serve on the Youth Commission? Why do you believe the Youth Commission is important?

I would like to serve in the youth commission by hosting engaging lessons for children where they create different desserts that are still safe and enjoyable. I believe this would be important as it allows hands on experiences that introduce children into the culinary world opening more doors in the future. In addition I would hope to host bake sales in the community to donate for organizations that focus on child care and foundations who raise money for in need school programs.

SUPPLEMENTAL QUESTIONNAIRE

Please list school and community activities or service organizations in which you are involved in.

Currently, I am in South San Francisco High Schools, Cooking club as I am the president, my role as president is i plan out meetings, keep my officers in check, while also filling out paper work that is needed when fundraising, lastly I keep in mind with our budget while picking out things we would need to buy for meetings. In addition I was a competitor in the National History Day State Competition, where me and my partners work hard to research and make our website as strong as possible, while also facing hardships like dealing with one of my partners being a procrastinator, teaching me patience, and how to deal with high stress situations.

The Youth Commission addresses issues affecting youth and the community through making recommendations to City Council. Please explain what you believe is the biggest issue concerning youth in South San Francisco today.

I believe there should be more events that bring the community together, for example events that celebrate the city's community. I would recommend events that bring vendors together, celebrating cultural holidays like Lunar New Year and Dias De Los Muertos. Doing this would allow new opportunities for teens to volunteer, vendors to show their products, and for people to celebrate with their community.

Can you commit to attending 6:30 p.m. meetings on the third Monday of each month? YES NO

If no, please explain: _____
