You have received this feedback from Deacon Lauren P. McCombs <laurenpmccombs@gmail.com> for the following page:

I was at your City Council meeting this evening on March 23rd. I had my hand raised to speak during the Public Comment period but was never called to speak. I am a Deacon in The Episcopal Church, a Faith in Action Bay Area Community Leader and a member of the Peninsula Solidarity Cohort. I am imploring you to protect the most vulnerable living in your city by extending the Eviction Moratorium that ends on March 31st. It is your responsibility to protect the families who can't afford their rent during the difficult financial times caused by the Pandemic. Be the first city in our County to ease the suffering and hardship that would come with eviction. Thank you for your service.
