

# Establishing a Traffic Safety Commission

City Council Regular Meeting  
August 28, 2019

# Timeline

- February 25 and 26, 2019 – Boards and Commission Recruitment – Council request for discussion of composition and duties of Parking Place Commission, Personnel Board, and Conference Center Authority
- May 22, 2019 – presentation from CAO detailing limitations on expansion of PPC duties, but possibility of including current PPC members in new Commission
- August 28, 2019 – presentation of ordinance establishing new Traffic Safety Commission, to include participation by the PPC members and two additional at-large members

# Composition of Traffic Safety Commission

The 5-member body of the TSC would be made up of the following:

- The Parking Place Commission (3 members)
- At-large member (2 members)

Terms:

- Three-year terms, and until a successor is appointed and qualified
- Four consecutive term limit

# Main duties of Transportation Safety Commission

- Provide venue for public to bring traffic related concerns, questions, or suggestions
- Provide recommendations to staff on traffic improvements
- Suggest design and improvement techniques for lighting and traffic flow on city streets
- Receive complaints on traffic matters
- Make recommendations to staff on the design, establishment or enactment of traffic facilities

# Commission Stipend Options

1. Issue all 5 members a \$50 stipend/regular meeting attended (as currently written) - **\$3,000 annually**
2. Issue 2 at-large members a \$50 stipend/regular meeting attended - **\$1,200 annually**
3. Issue no stipend to any members of the Commission - **\$0 annually**
