Section 3.01 Execution and Authentication; Registration.

(a) The Bonds will be signed for the City with the manual or facsimile signature of the Mayor of the City Council of the City. The City may deliver to the Trustee or its agent duly executed Bonds for authentication from time to time by the Trustee or its agent as such Bonds may be required. Bonds executed and so delivered and authenticated will be valid. In case any officer of the City whose signature or whose facsimile signature shall appear on any Bonds shall cease to be such officer before the authentication of such Bonds, such signature or the facsimile signature thereof shall nevertheless be valid and sufficient for all purposes the same as if he or she had remained in office until authentication. Also, if a person signing a Bond is the proper officer on the actual date of execution, the Bond will be valid even if that person is not the proper officer on the nominal date of action and even though, at the date of this Trust Agreement, such person was not such officer.

(b) A Bond will not be valid until the Trustee or its agent executes the certificate of authentication on such Bond by manual signature. Such signature will be conclusive evidence that such Bond has been authenticated under this Trust Agreement. The Trustee may appoint an authenticating agent acceptable to the City to authenticate Bonds. An authenticating agent may

authenticate Bonds whenever the Trustee may do so. Each reference in this Trust Agreement to authentication by the Trustee includes authentication by such agent.

(c) Bonds may be presented at the Principal Office of the Trustee. The Registrar will keep a register of such Bonds and of their transfer and exchange.

Section 3.02 Transfer or Exchange of Bonds. Subject to Section 3.03:

(a) All Bonds shall be issued in fully registered form. Upon surrender for transfer of any Bond at the Principal Office of the Trustee, the Trustee shall deliver in the name of the transferee or transferees a new fully authenticated and registered Bond or Bonds of Authorized Denominations of the same maturity for the aggregate principal amount which the Bondholder is entitled to receive.

(b) All Bonds presented for transfer, redemption or payment shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and with guaranty of signature satisfactory to the City, duly executed by the Bondholder or by his or her duly authorized attorney. The Trustee also may require payment from the Bondholder of a sum sufficient to cover any tax, or other governmental fee or charge that may be imposed in relation thereto. Such taxes, fees and charges shall be paid before any such new Bond shall be delivered.

(c) Bonds delivered upon any transfer as provided herein, or as provided in Section 3.04, shall be valid obligations of the City, evidencing the same debt as the Bond surrendered, shall be secured by this Trust Agreement and shall be entitled to all of the security and benefits hereof to the same extent as the Bond surrendered.

(d) The City, the Trustee and the Paying Agent shall treat the Bondholder, as shown on the registration books kept by the Trustee, as the person exclusively entitled to payment of principal, premium, if any, and interest with respect to such Bond and to the exercise of all other rights and powers of the Bondholder, except that all interest payments will be made to the party who, as of the Record Date, is the Bondholder.

(e) The Trustee shall not be required to register the transfer or exchange of any Bond during the period in which the Trustee is selecting Bonds for redemption and any bond that has been selected for redemption.

(f) The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer or exchange shall be paid by the City.

(g) Prior to any transfer of the Bonds outside the book-entry system (including, but not limited to, the initial transfer outside the book-entry system) the transferor shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045, as amended. The Trustee shall conclusively rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

Section 3.03 Book-Entry Bonds.

(a) Except as provided in paragraph (c) of this Section 3.03, the registered owner of all of the Bonds shall be DTC and the Bonds shall be registered in the name of Cede & Co., as nominee for DTC. Except as provided in paragraph (d) of this Section 3.03, payment of principal, interest and premium, if any, for any Bonds registered in the name of Cede & Co. shall be made as provided in the Representation Letter.

(b) The Bonds shall be initially issued in the form of a separate single authenticated fully registered Bond for each separate stated maturity of the Bonds. The Trustee, the Registrar and the City may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal or redemption price of, or interest on, the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Trust Agreement, registering the transfer of Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever, and neither the Trustee, the Registrar nor the City shall be affected by any notice to the contrary. Neither the Trustee, the Registrar nor the City shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant or any other person which is not shown on the registration books as being a Bondholder, with respect to (i) the accuracy of any records maintained by DTC or any Participant, (ii) the payment by DTC or any Participant of any amount in respect of the principal or redemption price of or interest on the Bonds, (iii) any notice which is permitted or required to be given to Bondholders under this Trust Agreement, (iv) the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Bonds, or (v) any consent given or other action taken by DTC as a Bondholder. The Trustee shall pay, from funds held under the terms of this Trust Agreement or otherwise provided by the City, all principal or redemption price of and interest on the Bonds only to DTC as provided in the Representation Letter and all such payments shall be valid and effective to satisfy and discharge fully the City's obligations with respect to the principal or redemption price of and interest on the Bonds to the extent of the sum or sums so paid. No person other than DTC shall receive authenticated Bonds evidencing the obligation of the City, to make payments of principal or redemption price and interest pursuant to this Trust Agreement. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to Record Dates, the name "Cede & Co." in this Trust Agreement shall refer to such new nominee of DTC.

(c) In the event the City determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bond certificates and notifies DTC, the Trustee and the Registrar of such determination, then DTC will notify the Participants of the availability through DTC of Bond certificates. In such event, the Trustee shall authenticate and the Registrar shall transfer and exchange Bonds certificates as requested by DTC and any other Bondholders in appropriate amounts. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the City and the Trustee and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the City and the Trustee shall be obligated to deliver Bond certificates as described in this Trust Agreement. In the event Bond certificates are issued, the provisions of this Trust Agreement shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of and interest on such certificates. Whenever DTC requests the City and the Trustee to do so, the Trustee and the City will cooperate with DTC in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Bonds to any

Participant having Bonds credited to its DTC account or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

(d) Notwithstanding any other provision of this Trust Agreement to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal or redemption price of and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to DTC as provided in the Representation Letter.

(e) In connection with any notice or other communication to be provided to Bondholders pursuant to this Trust Agreement by the City or the Trustee with respect to any consent or other action to be taken by Bondholders, the City or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than 15 calendar days in advance of such record date to the extent possible. Notice to DTC shall be given only when DTC is the sole Bondholder.

(f) If the City purchases, or causes the Trustee to purchase, any of the Bonds, such purchase of Bonds shall be deemed to have occurred upon the purchase of beneficial ownership interests in the Bonds from a Participant. Upon receipt by DTC of notice from the City and a Participant that a purchase of beneficial ownership interests in the Bonds has been made by the City from such Participant, DTC shall surrender to the Trustee the Bonds referenced in such notice and, if the principal amount referenced in said notice is less than the principal amount of the Bonds so surrendered, the Trustee shall authenticate and deliver to DTC, in exchange for the Bonds so surrendered, a new Bond or Bonds, as the case may be, in Authorized Denominations and in a principal amount equal to the difference between (i) the principal amount of the Bonds so surrendered and (ii) the principal amount referenced in said notice.

(g) Notwithstanding any provision herein to the contrary, the City and the Trustee may agree to allow DTC, or its nominee, Cede & Co., to make a notation on any Bond redeemed in part to reflect, for informational purposes only, the principal amount and date of any such redemption.

(h) In the event that DTC notifies the City that it is discontinuing the book-entry system for the Bonds, the City may either appoint another entity to hold the Bonds in book-entry form or deliver Bond certificates to the beneficial owners or Participants, as directed by DTC.

Section 3.04 Mutilated, Lost, Stolen or Destroyed Bonds.

(a) In the event any Bond is mutilated or defaced but identifiable by number and description, the City shall execute and the Trustee shall authenticate and deliver a new Bond of like date, maturity and denomination as such Bond, upon surrender thereof to the Trustee; provided that there shall first be furnished to the City and the Trustee proof satisfactory to the Trustee that the Bond is mutilated or defaced. The Bondholder shall accompany the above with a deposit of money required by the City for the cost of preparing the substitute Bond and all other expenses connected with the issuance of such substitute. The City shall then cause proper record to be made of the cancellation of the original, and thereafter the substitute shall have the validity of the original.

(b) In the event any Bond is lost, stolen or destroyed, the City may execute and the Trustee may authenticate and deliver a new Bond of like date, maturity and denomination as that

Bond lost, stolen or destroyed; provided that there shall first be furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to it.

(c) The City and the Trustee shall charge the Holder of such Bond all transfer taxes, if any, and their reasonable fees and expenses in this connection. All substitute Bonds issued and authenticated pursuant to this Section shall be issued as a substitute and numbered, if numbering is provided for by the Trustee, as determined by the Trustee. In the event any such Bond has matured or has been called for redemption, instead of issuing a substitute Bond, the Trustee may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Trustee.

Section 3.05 Destruction of Bonds. Whenever any Outstanding Bonds shall be delivered to the Trustee for cancellation pursuant to this Trust Agreement, upon payment of the principal amount and interest represented thereby or for replacement pursuant to Section 3.04 or transfer pursuant to Section 3.02, such Bond shall be canceled and destroyed by the Trustee and counterparts of a certificate of destruction evidencing such destruction shall, upon the City's request, be furnished by the Trustee to the City.

Section 3.06 Temporary Bonds.

(a) Pending preparation of definitive Bonds, the City may execute and the Trustee shall authenticate and deliver, in lieu of definitive Bonds and subject to the same limitation and conditions, interim receipts, certificates or temporary bonds which shall be exchanged for the Bonds.

(b) If temporary Bonds shall be issued, the City shall cause the definitive Bonds to be prepared and to be executed and delivered to the Trustee, and the Trustee, upon presentation to it of any temporary Bond, shall cancel the same and deliver in exchange therefor at the place designated by the Bondholder, without charge to the Bondholder thereof, definitive Bonds of an equal aggregate principal amount, of the same series, maturity and bearing interest at the same rate or rates as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefit and security of this Trust Agreement as the definitive Bonds to be issued and authenticated hereunder.

ARTICLE IV

REDEMPTION OF BONDS

Section 4.01 Notices to Trustee; Notices to Bondholders; Notices to DTC.

(a) The City shall give the Trustee written notice of its intention to redeem Bonds pursuant to this Section no less than 45 days prior to the proposed redemption date. Notice of redemption shall be given by the Trustee, not less than 30 nor more than 60 days prior to the redemption date: (i) in the case of Bonds not registered in the name of a Securities Depository or its nominee, to the respective Holders of the Bonds designated for redemption at their addresses appearing on the registration books of the Trustee; (ii) in the case of Bonds registered in the name of a Securities Depository or its nominee, to such Securities Depository for such Bonds; and (iii) to the Information Services. Notice of redemption to the Holders pursuant to (i) above shall be given by Mail at their addresses appearing on the registration books of the Trustee, or any other method agreed upon by such Holder and the Trustee. Notice of redemption to the Securities Depositories pursuant

to (ii) above and the Information Services pursuant to (iii) above shall be given by electronically secure means, or any other method agreed upon by such entities and the Trustee.

(b) Each notice of redemption shall state the Bonds or designated portions thereof to be redeemed, the date of redemption, the place of redemption, the redemption price, the CUSIP number (if any) of the Bonds to be redeemed, the distinctive numbers of the Bonds of such maturity to be redeemed and, in the case of Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed, the original issue date, interest rate and stated maturity date of each Bond to be redeemed in whole or part. Each such notice shall also state that on said date there will become due and payable on each of the Bonds to be redeemed the redemption price, and redemption premium, if any, thereof, and that from and after such redemption date interest thereon shall cease to accrue.

(c) Failure to give the notices described in this Section 4.01 or any defect therein shall not in any manner affect the redemption of any Bonds. Any notice sent as provided herein will be conclusively presumed to have been given whether or not actually received by the addressee.

(d) The City shall have the right to rescind any notice of optional redemption previously sent pursuant to this Section 4.01. Any such notice of rescission shall be sent in the same manner as the notice of redemption. Neither the City nor the Trustee shall incur any liability, to Bond Owners, DTC, or otherwise, as a result of a rescission of a notice of redemption.

Section 4.02 Optional Redemption of Bonds. The Bonds maturing on or after [August] 1, 20__ may be redeemed at the option of the City from any source of funds on any date on or after [August] 1, 20__ in whole or in part from such maturities as are selected by the City at a redemption price equal to the principal amount to be redeemed, together with accrued interest to the date of redemption, without premium.

Section 4.03 Mandatory Sinking Fund Redemption of Bonds. The Bonds maturing [August] 1, 20__ (the “**Term Bonds**”) are subject to mandatory sinking fund redemption at a redemption price equal to the principal amount thereof, plus accrued interest to the redemption date, without premium. The Term Bonds shall be so redeemed on the following dates and in the following amounts:

<i>Redemption Date</i> <i>([August] 1)</i>	<i>Principal</i> <i>Amount</i>
---	-----------------------------------

\$

*

* Final maturity.

On or before each [July 15] next preceding any mandatory sinking fund redemption date, the Trustee shall proceed to select for redemption pro-rata from all Term Bonds subject to mandatory sinking fund redemption at that time, an aggregate principal amount of such Term Bonds equal to the amount for such year as set forth in the table above and shall call such Term Bonds or portions thereof for redemption and give notice of such redemption in accordance with the terms of Section 4.01. At the option of the City, to be exercised by delivery of a written certificate to the Trustee, which shall include a revised sinking fund schedule on or before [June 1] next preceding any mandatory sinking fund redemption date, it may (a) deliver to the Trustee for cancellation Term Bonds or portions thereof (in the amount of an Authorized Denomination) of the stated maturity subject to such redemption or (b) specify a principal amount of such Term Bonds or portions thereof (in the amount of an Authorized Denomination) which prior to said date have been purchased or redeemed (otherwise than under the provisions of this Section 4.03) and canceled by the Trustee at the request of the City and not theretofore applied as a credit against any mandatory sinking fund redemption requirement. Each such Term Bonds or portion thereof so delivered or previously redeemed shall be credited by the Trustee at 100% of the principal amount of the Term Bonds so delivered to the Trustee by the City against the obligation of the City on such mandatory sinking fund redemption date.

Section 4.04 Make-Whole Optional Redemption of Bonds. [The Bonds are subject to redemption prior to [August] 1, 20__, at the option of the City, in whole or in part (and if in part in any order of maturity selected by the City and within a maturity bearing interest at the same rate on a pro-rata basis as described below), on any date at a redemption price (which shall be provided by the Calculation Agent and may be conclusively relied upon by the Trustee) equal to the greater of:

(a) 100% of the principal amount of the Bonds to be redeemed; or

(b) the sum of the present value of the remaining scheduled payments of principal and interest to the maturity date of such Bonds to be redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which such Bonds are to be redeemed, discounted to the date on which such Bonds are to be redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the Comparable Treasury Yield (defined below) plus __ basis points,

plus, in each case, accrued interest on such Bonds to be redeemed to the redemption date.

For purposes of the foregoing, the following terms have the following meanings:

“Calculation Agent” means a commercial bank or an investment banking institution of national standing that is a primary dealer of United States government securities in the United States and designated by the City (which may be one of the institutions that served as an underwriter for the Bonds).

“Comparable Treasury Issue” means the United States Treasury security selected by the Calculation Agent as having a maturity comparable to the remaining term to maturity of the Bonds being redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term to maturity of the Bonds being redeemed.

“Comparable Treasury Price” means, with respect to any date on which a Bond or portion thereof is being redeemed, either (a) the average of five Reference Treasury Dealer quotations for the date fixed for redemption, after excluding the highest and lowest such quotations, and (b) if the Calculation Agent is unable to obtain five such quotations, the average of the quotations that are obtained. The quotations will be the average, as determined by the Calculation Agent, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of principal amount) quoted in writing to the Calculation Agent, at 5:00 p.m. New York City time on a date selected by the Calculation Agent which is not less than three business days and not more than 20 business days preceding the date fixed for redemption.

“Comparable Treasury Yield” means the yield that represents the weekly average yield to maturity for the preceding week appearing in the most recently published statistical release designated “H.15(519) Selected Interest Rates” under the heading “Treasury Constant Maturities,” or any successor publication selected by the Calculation Agent that is published weekly by the Board of Governors of the Federal Reserve System and that establishes yields on actively traded United States Treasury securities adjusted to constant maturity, for the maturity corresponding to the remaining term to maturity of the Bonds being redeemed. The Comparable Treasury Yield will be determined no sooner than the third business day nor earlier than the twentieth calendar day preceding the applicable date fixed for redemption. If the H.15(519) statistical release sets forth a weekly average yield for United States Treasury securities that have a constant maturity that is the same as the remaining term to maturity of the Bonds being redeemed, then the Comparable Treasury Yield will be equal to such weekly average yield. In all other cases, the Comparable Treasury Yield will be calculated by interpolation on a straight-line basis between the weekly average yields on the United States Treasury securities that have a constant maturity (i) closest to and greater than the remaining term to maturity of the Bonds being redeemed; and (ii) closest to and less than the remaining term to maturity of the Bonds being redeemed. Any weekly average yields calculated by interpolation will be rounded to the nearest 1/100th of 1%, with any figure of 1/200th of 1% or above being rounded upward. If, and only if, weekly average yields for United States Treasury securities for the preceding week are not available in the H.15(519) statistical release or any successor publication, then the Comparable Treasury Yield will be the rate of interest per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price (each as defined herein) as of the date fixed for redemption.

“Reference Treasury Dealer” means a primary dealer of United States Government securities in the United States (which may be one of the institutions that served as an underwriter for the Bonds) appointed by the City and reasonably acceptable to the Calculation Agent.]

Section 4.05 Payment of Bonds Called for Redemption; Effect of Redemption Call.

(a) Upon surrender to the Trustee or the Trustee’s agent, Bonds called for redemption shall be paid at the redemption price stated in the notice, plus interest accrued to the redemption date.

(b) On the date so designated for redemption, notice having been given in the manner and under the conditions provided herein relating to such Bonds as are to be redeemed and moneys for payment of the redemption price being held in trust to pay the redemption price, the Bonds so called for redemption shall become and be due and payable on the redemption date, interest on such Bonds shall cease to accrue, such Bonds shall cease to be entitled to any lien, benefit or

security under this Trust Agreement and the owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price and accrued interest to the redemption date.

(c) Bonds which have been duly called for redemption under the provisions of this Article IV and for the payment of the redemption price of which moneys shall be deposited in the Redemption Fund or otherwise held in trust for the Holders of the Bonds to be redeemed, all as provided in this Trust Agreement, shall not be deemed to be Outstanding under the provisions of this Trust Agreement.

Section 4.06 Selection of Bonds for Redemption; Bonds Redeemed in Part. If less than all of the Bonds are called for redemption, the City will designate the maturities from which the Bonds are to be redeemed. For so long as the Bonds are registered in book entry form and DTC or a successor securities depository is the sole registered owner of such Bonds, if fewer than all of such Bonds of the same maturity and bearing the same interest rate are to be redeemed, the particular Bonds to be redeemed shall be selected on a pro rata pass-through distribution of principal basis in accordance with the operational arrangements of DTC then in effect, and if the DTC operational arrangements do not allow for redemption on a pro rata pass-through distribution of principal basis, all Bonds to be so redeemed will be selected for redemption in accordance with DTC procedures by lot; provided further that any such redemption must be performed such that all Bonds remaining outstanding will be in authorized denominations.

In connection with any repayment of principal of the Bonds pursuant to the pass-through distribution of principal as described above, the Paying Agent will direct DTC to make a pass-through distribution of principal to the owners of the Bonds. A form of Pro Rata Pass-Through Distribution of Principal Notice will be provided to the Trustee that includes a table of factors reflecting the relevant scheduled redemption payments and DTC's applicable procedures, which are subject to change.

For purposes of calculating pro rata pass-through distributions of principal, "pro rata" means, for any amount of principal or interest to be paid, the application of a fraction to such amounts where (a) the numerator is equal to the amount due to the owners of the Bonds on a payment date, and (b) the denominator is equal to the total original par amount of the Bonds.

It is the City's intent that redemption allocations made by DTC with respect to the Bonds be made on a pro rata pass-through distribution of principal basis as described above. However, the City cannot provide any assurance that DTC, DTC's direct and indirect participants, or any other intermediary will allocate the redemption of such Bonds on such basis.

If the Bonds are not registered in book-entry form and if fewer than all of the Bonds of the same maturity and bearing the same interest rate are to be redeemed, the Bonds of such maturity and bearing such interest rate to be redeemed will be selected on a pro rata basis, and the particular Bonds of such maturity and bearing such interest rate to be redeemed will be selected by lot, provided that any such redemption must be performed such that all Bonds remaining outstanding will be in authorized denominations.

Upon surrender of a Bond to be redeemed in part, the Trustee will authenticate for the registered owner a new Bond or Bonds of the same maturity and tenor equal in principal amount to the unredeemed portion of the Bond surrendered.

ARTICLE V

APPLICATION OF PROCEEDS; SOURCE OF PAYMENT OF BONDS

Section 5.01 Application of Proceeds. The net proceeds of the sale of the Bonds received by the Trustee, \$_____ (\$_____ principal amount, less \$_____ underwriter's discount), shall be deposited by the Trustee as follows:

(i) the sum of \$_____ shall be deposited into the Costs of Issuance Fund;

(ii) [the sum of \$_____ shall be transferred to PERS and used to refund a portion of the Unfunded Liability relating to the City's Miscellaneous Plan; and

(iii) the sum of \$_____ shall be transferred to PERS and used to refund a portion of the Unfunded Liability relating to the City's Safety Plan.]

The City shall provide written payment instructions to the Trustee for the transfers above to PERS, upon which the Trustee may conclusively rely.

The Trustee may establish and maintain for so long as is necessary one or more temporary funds and accounts under this Trust Agreement, including but not limited to a temporary fund for holding the proceeds of the Bonds.

Section 5.02 Sources of Payment of Bonds; Semi-Annual Payments by the City.

(a) The City shall provide for payment of principal or redemption price of and interest on the Bonds from any source of legally available funds of the City. If any Bonds are Outstanding, the City shall, no later than three Business Days preceding each Interest Payment Date beginning ____ 1, 20__, deliver funds to the Trustee for deposit to the Revenue Fund in an aggregate amount equal to the portion of the Annual Debt Service coming due on such Interest Payment Date (less amounts on deposit in the Revenue Fund).

(b) The Bonds shall be obligations of the City payable from any lawfully available funds, shall not be limited as to payment to any special source of funds of the City, and shall be subject to appropriation in accordance with Section 8.01 hereof. The Bonds do not constitute an obligation of the City for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation.

ARTICLE VI

CREATION OF CERTAIN FUNDS AND ACCOUNTS

Section 6.01 Creation of Costs of Issuance Fund. There is hereby created a Fund to be held by the Trustee designated "City of South San Francisco 2022 Taxable Pension Obligation Bonds, Costs of Issuance Fund" (the "**Costs of Issuance Fund**"). Funds on deposit in the Costs of Issuance Fund shall be used to pay or to reimburse the City for the payment of Costs of Issuance. Amounts in the Costs of Issuance Fund shall be disbursed by the Trustee upon Written Requisition in the form of Exhibit B executed by an Authorized City Representative. Each such Written Requisition

shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts.

At such time as the City delivers to the Trustee written notice that all Costs of Issuance have been paid or otherwise notifies the Trustee in writing that no additional amounts from the Costs of Issuance Fund will be needed to pay Costs of Issuance, the Trustee shall transfer all amounts then remaining in the Costs of Issuance Fund to the Bond Interest Account of the City unless otherwise directed by the City. At such time as no amounts remain in the Costs of Issuance Fund, such Fund shall be closed.

Section 6.02 Creation of Revenue Fund and Certain Accounts. There is hereby created a Fund to be held by the Trustee designated “City of South San Francisco 2022 Taxable Pension Obligation Bonds, Revenue Fund” (the “**Revenue Fund**”). There are hereby created in the Revenue Fund two separate Accounts designated “**Bond Interest Account**” and “**Bond Principal Account**”.

(a) All amounts received by the Trustee from the City in respect of interest payments on the Bonds shall be deposited in the Bond Interest Account and shall be disbursed to the applicable Bondholders to pay interest on the Bonds. All amounts held at any time in the Bond Interest Account (including amounts deposited pursuant to Section 6.03) shall be held for the security and payment of interest on the Bonds pursuant to this Trust Agreement. If at any time funds on deposit in the Bond Interest Account are insufficient to provide for the payment of such interest, the City shall promptly deposit funds to such Account to cure such deficiency. On [August] 2 of each year beginning in 20__, so long as no Event of Default has occurred and is continuing, the Trustee shall transfer all amounts on deposit in the Bond Interest Account to the Revenue Fund to be used for any lawful purpose.

(b) All amounts received by the Trustee from the City in respect of principal payments on the Bonds shall be deposited in the Bond Principal Account and all amounts in the Bond Principal Account will be disbursed to pay principal on the Bonds pursuant to this Trust Agreement. If at any time funds on deposit in the Bond Principal Account are insufficient to provide for the payment of such principal, the City shall promptly deposit funds to such Account to cure such deficiency.

(c) The moneys in such Funds and Accounts shall be held by the Trustee in trust and applied as herein provided and, pending such application, shall be subject to a lien and charge in favor of the holders of the Bonds issued and Outstanding under this Trust Agreement and for the further security of such holders until paid out or transferred as hereinafter provided.

Section 6.03 Creation of Redemption Fund. A Fund to be held by the Trustee is hereby created and designated the “City of South San Francisco 2022 Taxable Pension Obligation Bonds, Redemption Fund” (the “**Redemption Fund**”). All moneys deposited by the City with the Trustee for the purpose of redeeming Bonds shall be deposited in the Redemption Fund. All amounts deposited in the Redemption Fund shall be used and withdrawn by the Trustee solely for the purpose of redeeming Bonds in the manner, at the times and upon the terms and conditions specified in this Trust Agreement; provided that, at any time prior to giving such notice of redemption, the Trustee shall, upon receipt of written instructions from an Authorized City Representative, apply such amounts to the purchase of Bonds at public or private sale, as and when and at such prices (including brokerage and other charges) as directed by the City.

Section 6.04 Moneys Held in Redemption Fund. All moneys which shall have been withdrawn from the Revenue Fund and deposited in the Redemption Fund for the purpose of paying any of the Bonds hereby secured, either at the maturity thereof or upon call for redemption, shall be held in trust for the respective Holders of such Bonds.

Section 6.05 Unclaimed Moneys. Any moneys which shall be set aside or deposited in the Redemption Fund, the Bond Principal Account, the Bond Interest Account or any other Fund or Account for the benefit of Holders of Bonds and which shall remain unclaimed by the Holders of such Bonds for a period of one year after the date on which such Bonds shall have become due and payable (or such longer period as shall be required by State law) shall be paid (without liability for interest) to the City, and thereafter the Holders of such Bonds shall look only to the City for payment and the City shall be obligated to make such payment, but only to the extent of the amounts so received without any interest thereon, and the Trustee and any Paying Agent shall have no responsibility with respect to any of such moneys.

ARTICLE VII

CONCERNING PAYING AGENT

Section 7.01 Paying Agent; Appointment and Acceptance of Duties. The City hereby appoints the Trustee as the Paying Agent for the Bonds.

Section 7.02 Paying Agent - General Responsibilities.

(a) The City may at any time or from time to time appoint a different Paying Agent or Paying Agents for the Bonds, and each Paying Agent, if other than the Trustee, shall be a commercial bank with trust powers and shall designate to the City and the Trustee its principal office and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the City under which each such Paying Agent will agree, particularly:

(i) to hold all sums held by it for the payment of the principal of, and premium or interest on, Bonds in trust for the benefit of the Bondholders until such sums shall be paid to such Bondholders or otherwise disposed of as herein provided;

(ii) to keep such books and records as shall be consistent with industry practice, to make such books and records available for inspection by the City and the Trustee at all reasonable times upon reasonable prior notice; and

(iii) upon the request of the Trustee, to forthwith deliver to the Trustee all sums so held by such Paying Agent.

(b) The Paying Agent shall perform the duties and obligations set forth in this Trust Agreement, and in particular shall hold all sums delivered to it by the Trustee for the payment of principal or premium of and interest on the Bonds for the benefit of the Bondholders until such sums shall be paid to such Bondholders or otherwise disposed of as herein provided.

(c) In performing its duties hereunder, the Paying Agent shall be entitled to all of the rights, protections and immunities accorded to the Trustee under the terms of this Trust Agreement.

Section 7.03 Certain Permitted Acts. Any Fiduciary may become the owner of any Bonds, with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depositary for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Trust Agreement, whether or not any such committee shall represent the owners of a majority in Total Bond Obligation of the Bonds then Outstanding.

Section 7.04 Resignation or Removal of Paying Agent and Appointment of Successor.

(a) Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Trust Agreement in accordance with the provisions set forth in this Trust Agreement for the removal of the Trustee by giving at least 60 days' written notice to the City and the other Fiduciaries. Any Paying Agent may be removed at any time upon 30 days prior written notice by an instrument filed with such Paying Agent and the Trustee and signed by an Authorized City Representative. Any successor Paying Agent shall be appointed by the City with the approval of the Trustee and shall be a commercial bank with trust powers or trust company organized under the laws of any state of the United States, having capital stock and surplus aggregating at least \$100,000,000, and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Trust Agreement.

(b) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall assign and deliver any moneys and Bonds, including authenticated Bonds, held by it to its successor, or if there be no successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any Paying Agent, the Trustee shall act as such Paying Agent.

ARTICLE VIII

COVENANTS OF THE CITY

Section 8.01 Payment of Principal and Interest. The City covenants and agrees that it will duly and punctually pay or cause to be paid the principal, premium, if any, and interest on every Bond at the place and on the dates and in the manner specified herein and in the Bonds, according to the true intent and meaning thereof, and that it will faithfully do and perform all covenants and agreements contained herein and in the Bonds and the City agrees that time is of the essence of this Trust Agreement. The obligations of the City under the Bonds, including the obligation to make all payments of principal, premium, if any, and interest when due, are absolute and unconditional, without any right of set-off or counter claim.

The City shall in each Fiscal Year include in its budget a provision to provide funds in an amount sufficient to pay the principal, premium, if any, and interest on the Bonds coming due in such Fiscal Year, but only to the extent that such amounts exceed the amount of available funds then on deposit in the Revenue Fund, and shall make annual appropriations for all such amounts. If such principal, premium, if any, and interest on the Bonds coming due in any Fiscal Year exceeds the sum of amounts budgeted in respect thereof together with amounts then on deposit in the Revenue Fund,

then the City shall amend or supplement the budget to provide for such excess amounts. The covenants contained in this Section shall be deemed to be and shall be duties imposed by law and it shall be the duty of each and every public official of the City to take such action and do such things as are required by law in the performance of the official duty of such officials to enable the City to carry out and perform the covenants and agreements in this Trust Agreement agreed to be carried out and performed by the City.

Section 8.02 Performance of Covenants by City; Authority; Due Execution. The City covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Trust Agreement, in any and every Bond executed, authenticated and delivered hereunder and in all of its proceedings pertaining hereto. The City covenants that it is duly authorized under the Constitution and laws of the State to issue the Bonds.

Section 8.03 Instruments of Further Assurance. The City covenants that it will do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered such further acts, instruments and transfers as the Trustee may reasonably request for the better assuring and confirming to the Trustee all the rights and obligations of the City under and pursuant to this Trust Agreement. The City shall, upon the reasonable request of the Trustee, from time to time execute and deliver such further instructions and take such further action as may be reasonable and as may be required to effectuate the purposes of this Trust Agreement or any provisions hereof; provided, however, that no such instruments or actions shall pledge the full faith and credit or the taxing powers of the State.

Section 8.04 No Inconsistent Action. The City covenants that no contract or contracts will be entered into or any action taken by the City which shall be inconsistent with the provisions of this Trust Agreement.

Section 8.05 No Adverse Action. The City covenants that it will not take any action which will have a material adverse effect upon the rights of the Holders of the Bonds.

Section 8.06 Maintenance of Powers. The City covenants that it will at all times use its best efforts to maintain the powers, functions, duties and obligations now reposed in it pursuant to applicable law and will not at any time voluntarily do, suffer or permit any act or thing the effect of which would be to hinder, delay or imperil either the payment of the indebtedness evidenced by any of the Bonds or the performance or observance of any of the covenants herein contained.

Section 8.07 Covenants of City Binding on Successors.

(a) All covenants, stipulations, obligations and agreements of the City contained in this Trust Agreement shall be deemed to be covenants, stipulations, obligations and agreements of the City to the full extent authorized or permitted by law. If the powers or duties of the City shall hereafter be transferred by amendment of any provision of the Constitution or any other law of the State or in any other manner there shall be a successor to the City, and if such transfer shall relate to any matter or thing permitted or required to be done under this Trust Agreement by the City, then the entity that shall succeed to such powers or duties of the City shall act and be obligated in the place and stead of the City as provided in this Trust Agreement, and all such covenants, stipulations, obligations and agreements herein shall be binding upon such successor or successors thereof from time to time and upon any officer, board, body, district, authority or commission to whom or to

which any power or duty affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law.

(b) Except as otherwise provided in this Trust Agreement, all rights, powers and privileges conferred and duties and liabilities imposed upon the City by the provisions of this Trust Agreement shall be exercised or performed by the City or by such officers, board, body, district, authority or commission as may be required by law to exercise such powers or to perform such duties.

Section 8.08 Trust Agreement to Constitute a Contract. This Trust Agreement is executed by the City for the benefit of the Bondholders and constitutes a contract with the Bondholders.

Section 8.09 City to Perform Pursuant to Continuing Disclosure Certificate. The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Trust Agreement, failure of the City to comply with the Continuing Disclosure Certificate shall not be considered an Event of Default under this Trust Agreement; provided, however, the obligations of the City to comply with the provisions of the Continuing Disclosure Certificate shall be enforceable by any Participating Underwriter or any Holder of Outstanding Bonds, or by the Trustee on behalf of the Holders of Outstanding Bonds; provided, further, that the Trustee shall not be required to take any enforcement action whatsoever except at the written direction of the Holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding who shall have provided the Trustee with security and indemnity to its satisfaction, including without limitation, attorney's fees and expenses. The Participating Underwriters', Holders' and Trustee's rights to enforce the provisions of the Continuing Disclosure Certificate shall be limited solely to a right, by action in mandamus or for specific performance, to compel performance of the City's obligations under the Continuing Disclosure Certificate. Notwithstanding the foregoing, the City shall be entitled to amend or rescind the Continuing Disclosure Certificate to the extent permitted by law.

ARTICLE IX

INVESTMENTS

Section 9.01 Investments Authorized. Money held by the Trustee in any fund or account hereunder shall be invested by the Trustee in Permitted Investments pending application as provided herein solely at the prior written direction of an Authorized City Representative, filed with the Trustee at least two Business Days in advance of the making of such investment, shall be registered in the name of the Trustee where applicable, as Trustee and shall be held by the Trustee. In the absence of written investment directions from an Authorized City Representative, the Trustee shall hold such funds uninvested. The City shall direct the Trustee prior to 12:00 p.m. Pacific time on the last Business Day before the date on which a Permitted Investment matures or is redeemed as to the reinvestment of the proceeds thereof. In the absence of such direction, the Trustee shall invest in investments authorized under clause (7) contained in the definition of "Permitted Investments." The Trustee may rely on the City's certification in such investment instructions that such investments are permitted by law and by any policy guidelines promulgated by the City. Money held in any fund or account hereunder may be commingled for purposes of investment only.

The Trustee may, with the prior written approval of an Authorized City Representative, purchase from or sell to itself or any affiliate, as principal or agent, investments authorized by this Section 9.01. The Trustee or any of its affiliates may act as agent in the making or disposing of any investment and may act as sponsor or advisor with respect to any Permitted Investment. For investment purposes, the Trustee may commingle the funds and accounts established hereunder, but shall account for each separately.

The City acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the City the right to receive brokerage confirmations of security transactions as they occur, the City specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the City with periodic cash transaction statements which shall include details for all investment transactions made by the Trustee hereunder.

Section 9.02 Reports. The Trustee shall furnish at least quarterly to the City a report (which may be in the form of the Trustee's regular account statements) of all investments made by the Trustee and of all amounts on deposit in each fund and account maintained hereunder.

Section 9.03 Valuation and Disposition of Investments. For the purpose of determining the amount in any fund or account hereunder, all Permitted Investments shall be valued at the market value thereof not later than [July 1] of each year. With the prior written approval of an Authorized City Representative, the Trustee may sell, or present for redemption, any Permitted Investment so purchased by the Trustee whenever it shall be necessary in order to provide money to meet any required payment, transfer, withdrawal or disbursement from any fund or account hereunder, and the Trustee shall not be liable or responsible for any loss resulting from such investment or sale, except any loss resulting from its own negligence or willful misconduct. In making any valuations hereunder, utilize any securities pricing services that may be available to it, including those within its regular accounting system, and conclusively rely thereon.

Section 9.04 Application of Investment Earnings. Investments in any Fund or Account shall be deemed at all times to be a part of such Fund or Account, and any profit realized from such investment shall be credited to such Fund or Account and any loss resulting from such investment shall be charged to such Fund or Account. Interest earnings on investments in any Fund or Account shall be deposited in the Bond Interest Account of the Revenue Fund.

ARTICLE X

DEFEASANCE

Section 10.01 Discharge of Bonds; Release of Trust Agreement. Bonds or portions thereof (such portions to be in an Authorized Denomination) which have been paid in full or which are deemed to have been paid in full shall no longer be entitled to the benefits of this Trust Agreement except for the purposes of payment from moneys and Defeasance Securities. When all Bonds which have been issued under this Trust Agreement have been paid in full or are deemed to have been paid in full, and all other sums payable hereunder by the City, including all necessary and proper fees, compensation and expenses of the Trustee and any Paying Agents, have been paid or are duly provided for, then the Trustee shall cancel, discharge and release this Trust Agreement, shall execute, acknowledge and deliver to the City such instruments of satisfaction and discharge or release as shall be requisite to evidence such release and such satisfaction and discharge and shall assign and deliver to the City any amounts at the time subject to this Trust Agreement which may

then be in the Trustee's possession, except funds or securities in which such funds are invested and held by the Trustee or the Paying Agents for the payment of the principal, premium, if any, and interest on the Bonds.

Section 10.02 Bonds Deemed Paid.

(a) A Bond shall be deemed to be paid within the meaning of this Article X and for all purposes of this Trust Agreement when (i) payment with respect thereto of the principal, interest and premium, if any, either (1) shall have been made or caused to be made in accordance with the terms of the Bonds and this Trust Agreement or (2) shall have been provided for, as certified to the Trustee by a Consultant who is a certified public accountant, by irrevocably depositing with the Trustee in trust and irrevocably setting aside exclusively for such payment: (x) moneys sufficient to make such payment, and/or (y) Defeasance Securities maturing as to principal and interest in such amounts and at such times as will insure the availability of sufficient moneys to make such payment, and (ii) all necessary and proper fees, compensation and expenses of the Trustee and any Paying Agents pertaining to the Bonds with respect to which such deposit is made shall have been paid or provision made for the payment thereof. At such times as Bonds shall be deemed to be paid hereunder, such Bonds shall no longer be secured by or entitled to the benefits of this Trust Agreement, except for the purposes of payment from such moneys and Defeasance Securities.

(b) Notwithstanding the foregoing paragraph, no deposit under clause (i)(2) of the immediately preceding paragraph shall be deemed a payment of such Bonds until (i) proper notice of redemption of such Bonds shall have been given in accordance with Section 4.01, or in the event such Bonds are not to be redeemed within the next succeeding 60 days, until the City shall have given the Trustee irrevocable instructions to notify, as soon as practicable, the Holders of the Bonds in accordance with Section 4.01, that the deposit required by clause (i)(2) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Article X and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal of, premium, if any, and unpaid interest on such Bonds; or (ii) the maturity of such Bonds.

ARTICLE XI

DEFAULTS AND REMEDIES

Section 11.01 Events of Default. Each of the following events shall constitute and is referred to in this Trust Agreement as an “**Event of Default**”:

(a) a failure to pay the principal or premium, if any, on any of the Bonds when the same shall become due and payable at maturity or upon redemption;

(b) a failure to pay any installment of interest on any of the Bonds when such interest shall become due and payable;

(c) a failure by the City to observe and perform any covenant, condition, agreement or provision (other than as specified in clauses (a) and (b) of this Section 11.01) contained in the Bonds or in this Trust Agreement on the part of the City to be observed or performed, which failure shall continue for a period of 60 days after written notice, specifying such failure and requesting that it be remedied, shall have been given to the City by the Trustee; provided, however,

that the Trustee shall be deemed to have agreed to an extension of such period if corrective action is initiated by the City within such period; or

(d) if the City files a petition in voluntary bankruptcy, for the composition of its affairs or for its corporate reorganization under any state or federal bankruptcy or insolvency law, or makes an assignment for the benefit of creditors, or admits in writing to its insolvency or inability to pay debts as they mature, or consents in writing to the appointment of a trustee or receiver for itself.

Upon its actual knowledge of the occurrence of any Event of Default, the Trustee shall immediately give written notice thereof to the City.

Section 11.02 Remedies.

(a) Upon the occurrence and continuance of any Event of Default, the Trustee in its discretion may, and shall upon the written direction of the holders of a majority of the Total Bond Obligation of the Bonds then Outstanding and, in each case, receipt of indemnity to its satisfaction, in its own name and as the Trustee of an express trust:

(1) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Bondholders hereunder, as the case may be, and require the City to carry out any agreements with or for the benefit of the Bondholders and to perform its or their duties under the Refunding Law or any other law to which it is subject and this Trust Agreement; provided that any such remedy may be taken only to the extent permitted under the applicable provisions of this Trust Agreement;

(2) bring suit upon the defaulted Bonds;

(3) commence an action or suit in equity to require the City to account as if it were the trustee of an express trust for the Bondholders; or

(4) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders hereunder.

(b) The Trustee shall be under no obligation to take any action with respect to any Event of Default unless the Trustee has actual knowledge of the occurrence of such Event of Default.

Section 11.03 Restoration to Former Position. In the event that any proceeding taken by the Trustee to enforce any right under this Trust Agreement shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then the City, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Trustee shall continue as though no such proceeding had been taken.

Section 11.04 Bondholders' Right to Direct Proceedings on their Behalf. Anything in this Trust Agreement to the contrary notwithstanding, Holders of a majority in Total Bond Obligation shall have the right, at any time, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all remedial proceedings on their behalf available to the Trustee under this Trust Agreement to be taken in connection with the enforcement of the terms of this Trust Agreement or exercising any trust or power conferred on the Trustee by this Trust

Agreement; provided that such direction shall not be otherwise than in accordance with the provisions of the law and this Trust Agreement and that there shall have been provided to the Trustee security and indemnity satisfactory to the Trustee against the costs, expenses and liabilities to be incurred as a result thereof by the Trustee; provided further that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction.

Section 11.05 Limitation on Bondholders' Rights to Institute Proceedings. No owner of any Bond shall have the right to institute any suit, action or proceeding at law in equity, for the protection or enforcement of any right or remedy under this Trust Agreement, or applicable law with respect to such Bond, unless (a) such owner shall have given to the Trustee written notice of the occurrence of an Event of Default; (b) the owners of not less than a majority in Total Bond Obligation shall have made written request upon the Trustee to exercise the powers heretofore granted or to institute such suit, action or proceeding in its own name; (c) such owner or said owners shall have tendered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; (d) the Trustee shall have refused or failed to comply with such request for a period of 60 days after such written request shall have been received by and said tender of indemnity shall have been made to, the Trustee and (e) the Trustee shall not have received contrary directions from the owners of a majority in aggregate principal amount of the Total Bonds Obligation.

Section 11.06 No Impairment of Right to Enforce Payment. Notwithstanding any other provision in this Trust Agreement, the right of any Bondholder to receive payment of the principal of and interest on such Holder's Bond, on or after the respective due dates expressed therein, or to institute suit for the enforcement of any such payment on or after such respective date, shall not be impaired or affected without the consent of such Bondholder.

Section 11.07 Proceedings by Trustee Without Possession of Bonds. All rights of action under this Trust Agreement or under any of the Bonds secured hereby which are enforceable by the Trustee may be enforced by it without the possession of any of the Bonds, or the production thereof at the trial or other proceedings relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the equal and ratable benefit of the Bondholders, as the case may be, subject to the provisions of this Trust Agreement.

Section 11.08 No Remedy Exclusive. No remedy herein conferred upon or reserved to the Trustee or to Bondholders is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder, or now or hereafter existing at law or in equity or by statute; provided, however, that any conditions set forth herein to the taking of any remedy to enforce the provisions of this Trust Agreement or the Bonds shall also be conditions to seeking any remedies under any of the foregoing pursuant to this Section 11.08.

Section 11.09 No Waiver of Remedies. No delay or omission of the Trustee or of any Bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default, or an acquiescence therein and every power and remedy given by this Article XI to the Trustee and to the Bondholders, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 11.10 Application of Moneys.

(a) Any moneys received by the Trustee for the benefit of Bondholders, by any receiver or by any Bondholder pursuant to any right given or action taken under the provisions of this Article XI, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances incurred or made by the Trustee (including without limitation reasonable fees and reasonable expenses of its attorneys), and any outstanding fees and expenses of the Trustee shall be deposited in the Revenue Fund and all moneys so deposited in the Revenue Fund during the continuance of an Event of Default shall be applied (i) first, to the payment to the persons entitled thereto of all installments of interest then due on the Bonds, with interest on overdue installments, if lawful, at the rate per annum borne by the Bonds, as the case may be, in the order of maturity of the installments of such interest (if the amount available for such interest installments shall not be sufficient to pay in full any particular installment of interest, then to the payment ratably, according to the amounts due on such installment), and if the amount available for such interest shall not be sufficient to make payment thereof, then to the payment thereof ratably according to the respective aggregate amounts due and (ii) second, to the payment to the persons entitled thereto of the unpaid principal, as applicable, of any of the Bonds which shall have become due with interest on such Bonds at their respective rate from the respective dates upon which they became due (if the amount available for such unpaid principal and interest shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal and interest due on such date, in each case to the persons entitled thereto, without any discrimination or privilege among Holders of Bonds), and, if the amount available for such principal and interest shall not be sufficient to make full payment thereof, then to the payment thereof ratably according to the respective aggregate amounts due.

(b) Whenever moneys are to be applied pursuant to the provisions of this Section 11.10, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts to be paid on such date shall cease to accrue. The Trustee shall give notice of the deposit with it of any such moneys and of the fixing of any such date by Mail to all Bondholders and shall not be required to make payment to any Bondholder until such Bonds shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 11.11 Severability of Remedies. It is the purpose and intention of this Article XI to provide rights and remedies to the Trustee and the Bondholders which may be lawfully granted under the provisions of applicable law, but should any right or remedy herein granted be held to be unlawful, the Trustee and the Bondholders shall be entitled, as above set forth, to every other right and remedy provided in this Trust Agreement and by applicable law.

Section 11.12 Additional Events of Default and Remedies. Subject to Article XIII hereof, so long as any Bonds are Outstanding, the Events of Default and remedies as set forth in this Article XI may not be supplemented with additional Events of Default and remedies as set forth from time to time in a supplemental agreement.

ARTICLE XII

TRUSTEE; REGISTRAR

Section 12.01 Acceptance of Trusts. The Trustee hereby accepts and agrees to execute the trusts specifically imposed upon it by this Trust Agreement, but only upon the additional terms set forth in this Article XII, to all of which the City agrees and the respective Bondholders agree by their acceptance of delivery of any of the Bonds.

Section 12.02 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise its rights and powers and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee need perform only those duties that are specifically set forth in this Trust Agreement and no others; and

(ii) in the absence of negligence on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Trust Agreement.

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 12.02;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action it takes or fails to take in good faith in accordance with a direction received by it from Bondholders or the City in the manner provided in this Trust Agreement; and

(iv) no provision of this Trust Agreement shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(d) Every provision of this Trust Agreement that in any way relates to the Trustee is subject to all the paragraphs of this Section 12.02.

(e) The Trustee may refuse to perform any duty or exercise any right or power unless it receives indemnity reasonably satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any cash held by it except as the Trustee may agree with the City.

Section 12.03 Rights of Trustee.

(a) The recitals of facts contained herein and in the Bonds shall be taken as statements of the City, and the Trustee assumes no responsibility for the correctness of the same (other than the certificate of authentication of the Trustee on each Bond), and makes no representations as to the validity or sufficiency of this Trust Agreement or of the Bonds or of any Permitted Investment and shall not incur any responsibility in respect of any such matter, other than in connection with the duties or obligations expressly assigned to or imposed upon it herein or in the Bonds. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence, willful misconduct or breach of the express terms and conditions hereof. The Trustee and its directors, officers, employees or agents may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Holder of a Bond may be entitled to take, with like effect as if the Trustee was not the Trustee under this Trust Agreement.

(b) The Trustee may execute any of the trusts or powers hereof and perform the duties required of it hereunder by or through attorneys, agents or receivers, and shall be entitled to advice of counsel concerning all matters of trust and its duty hereunder, and the opinion of such counsel shall be authorization for any action taken or not taken in reliance on such opinion, but the Trustee shall not be answerable for the negligence or misconduct of any such attorney, agent or receiver selected by it.

(c) No permissive power, right or remedy conferred upon the Trustee hereunder shall be construed to impose a duty to exercise such power, right or remedy.

(d) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, coupon or other paper or document but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the City, personally or by agent or attorney.

(e) The Trustee shall not be responsible for the application or handling by the City of any moneys transferred to or pursuant to any requisition or request of the City in accordance with the terms and conditions hereof.

(f) Whether or not therein expressly so provided, every provision of this Trust Agreement relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article XII.

(g) The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, facsimile transmission, electronic mail, opinion, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(h) The Trustee shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence,

including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

(i) The Trustee shall have no duty to review, verify or analyze any financial statements furnished to it by the City and shall hold such financial statements solely as a repository for the Holders. The Trustee shall not be deemed to have notice of any information contained therein or any default or Event of Default that may be disclosed therein in any manner.

(j) The Trustee may rely conclusively upon the written directions of the City as to the suitability and legality of the directed Permitted Investments.

(k) The Trustee shall not be deemed to have knowledge of any Event of Default until a Responsible Officer shall have actual knowledge thereof or the Trustee shall have received written notice thereof at the Principal Office of the Trustee.

(l) Whenever in the administration of its duties under this Trust Agreement the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Trustee, be deemed to be conclusively proved and established by a written certificate of the City, and such certificate shall be full warrant to the Trustee for any action taken or suffered under the provisions of this Trust Agreement upon the faith thereof, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

(m) The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to this Indenture and delivered using Electronic Means (“Electronic Means” shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder); provided, however, that the City shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions (“Authorized Officers”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the City whenever a person is to be added or deleted from the listing. If the City elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. The City understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The City shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the City and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the City. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a

subsequent written instruction. The City agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the City; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

Section 12.04 Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Bonds and may otherwise deal with the City with the same rights it would have if it were not Trustee. Any Paying Agent or other agent may do the same with like rights.

Section 12.05 Trustee's Disclaimer. The Trustee makes no representations as to the validity or adequacy of this Trust Agreement or the Bonds, it shall not be accountable for the City's use of the proceeds from the Bonds paid to the City and it shall not be responsible for any statement in any official statement or other disclosure document or in the Bonds other than its certificate of authentication.

Section 12.06 Notice of Defaults. If an event occurs which with the giving of notice or lapse of time or both would be an Event of Default, and if the event is continuing and if it is actually known to the Trustee, the Trustee shall mail to each Bondholder notice of the event within 90 days after it occurs. Except in the case of a default in payment or purchase on any Bonds, the Trustee may withhold the notice to Bondholders if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Bondholders.

Section 12.07 Compensation of Trustee. The City shall from time to time, pay to the Trustee reasonable compensation for its services and shall reimburse the Trustee for all its reasonable advances and expenditures, including but not limited to advances to and fees and expenses of independent appraisers, accountants, consultants, counsel, agents and attorneys-at-law or other experts employed by it in the exercise and performance of its powers and duties hereunder. The Trustee shall not otherwise have any claims or lien for payment of compensation for its services against any other moneys held by it in the funds or accounts established hereunder, except as provided in Section 11.10, but may take whatever legal actions are lawfully available to it directly against the City. To the extent permitted by applicable law, the City agrees to indemnify and save the Trustee, its officers, employees, directors and agents, harmless against any costs, expenses, claims or liabilities whatsoever, including, without limitation, fees and expenses of its attorneys, that it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or willful misconduct. The agreement contained in this Section shall survive the payment of the Bonds, the discharge of this Trust Agreement and the appointment of a successor trustee. When the Trustee incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Section 12.08 Eligibility of Trustee. This Trust Agreement shall always have a Trustee that is a trust company, a bank or association having trust powers and is organized and doing

business under the laws of the United States or any state or the District of Columbia, is subject to supervision or examination by United States, state or District of Columbia authority and has a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

Section 12.09 Replacement of Trustee.

(a) The Trustee may resign as trustee hereunder by notifying the City in writing prior to the proposed effective date of the resignation. The Holders of a majority in Total Bond Obligation of the Bonds may remove the Trustee by notifying the removed Trustee and may appoint a successor Trustee with the City's consent. The City may remove the Trustee, by notice in writing delivered to the Trustee 30 days prior to the proposed removal date; provided, however, that the City shall have no right to remove the Trustee during any time when an Event of Default has occurred and is continuing unless (i) the Trustee fails to comply with the foregoing Section, (ii) the Trustee is adjudged a bankrupt or an insolvent, (iii) the Trustee otherwise becomes incapable of acting or (iv) the City determines that the Trustee's services are no longer satisfactory to the City. No resignation or removal of the Trustee under this Section shall be effective until a new Trustee has taken office. If the Trustee resigns or is removed or for any reason is unable or unwilling to perform its duties under this Trust Agreement, the City shall promptly appoint a successor Trustee.

(b) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the City. Immediately thereafter, the retiring Trustee shall transfer all property held by it as Trustee to the successor Trustee, the resignation or removal of the retiring Trustee shall then (but only then) become effective and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Trust Agreement. If a Trustee is not performing its duties hereunder and a successor Trustee does not take office within 60 days after the retiring Trustee delivers notice of resignation or the City delivers notice of removal, the retiring Trustee, the City or the Holders of a majority in Total Bond Obligation of the Bonds may petition any court of competent jurisdiction for the appointment of a successor Trustee.

Section 12.10 Successor Trustee or Agent by Merger. If the Trustee, any Paying Agent or Registrar consolidates with, merges or converts into, or transfers all or substantially all its assets (or, in the case of a bank or trust company, its corporate trust business) to, another corporation, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee, Paying Agent or Registrar.

Section 12.11 Registrar. The City shall appoint the Registrar for the Bonds and may from time to time remove a Registrar and name a replacement upon notice to the Trustee. The City hereby appoints the Trustee as Registrar. Each Registrar, if other than the Trustee, shall designate to the Trustee, the Paying Agent, and the City its principal office and signify its acceptance of the duties imposed upon it hereunder by a written instrument of acceptance delivered to the City and the Trustee under which such Registrar will agree, particularly, to keep such books and records as shall be consistent with prudent industry practice and to make such books and records available for inspection by the City, the Trustee, and the Paying Agent at all reasonable times.

Section 12.12 Other Agents. The City or the Trustee may from time to time appoint other agents to perform duties and obligations under this Trust Agreement which agents may include, but not be limited to, authenticating agents all as provided by resolution of the City.

Section 12.13 Several Capacities. Anything in this Trust Agreement to the contrary notwithstanding, the same entity may serve hereunder as the Trustee, Registrar and any other agent as appointed to perform duties or obligations under this Trust Agreement or an escrow agreement, or in any combination of such capacities, to the extent permitted by law.

Section 12.14 Accounting Records and Reports of Trustee.

(a) The Trustee shall at all times keep, or cause to be kept, proper books of record and account in which complete and accurate entries shall be made of all transactions made by it relating to the proceeds of the Bonds and all Funds and Accounts established pursuant to this Trust Agreement and held by the Trustee. Such books of record and account shall be available for inspection by the City and any Bondholder, or his or her agent or representative duly authorized in writing, upon reasonable prior notice, at reasonable hours and under reasonable circumstances.

(b) The Trustee shall file and furnish to the City and to each Bondholder who shall have filed his or her name and address with the Trustee for such purpose (at such Bondholder's cost), on an annual basis (or, with respect to the City, such other interval that the City may request), a complete financial statement (which may be its regular account statements and which need not be audited) covering receipts, disbursements, allocation and application of moneys in any of the funds and accounts established pursuant to this Trust Agreement for the preceding year.

Section 12.15 No Remedy Exclusive. No remedy herein conferred upon or reserved to the City is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder, or now or hereafter existing at law or in equity or by statute.

ARTICLE XIII

MODIFICATION OF THIS TRUST AGREEMENT

Section 13.01 Limitations. This Trust Agreement shall not be modified or amended in any respect subsequent to the first delivery of fully executed and authenticated Bonds except as provided in and in accordance with and subject to the provisions of this Article XIII.

Section 13.02 Supplemental Agreements Not Requiring Consent of Bondholders.

(a) The City may, from time to time and at any time, without the consent of or notice to the Bondholders, execute and deliver supplemental agreements supplementing and/or amending this Trust Agreement as follows:

(i) to cure any defect, omission, inconsistency or ambiguity in this Trust Agreement;

(ii) to add to the covenants and agreements of the City in this Trust Agreement other covenants and agreements, or to surrender any right or power reserved or conferred upon the City, and which shall not adversely affect the interests of the Bondholders;

(iii) to confirm, as further assurance, any interest of the Trustee in and to the Funds and Accounts held by the Trustee or in and to any other moneys, securities or funds of the City provided pursuant to this Trust Agreement or to otherwise add security for the Bondholders;

(iv) to comply with the requirements of the Trust Indenture Act of 1939, as from time to time amended;

(v) to modify, alter, amend or supplement this Trust Agreement in any other respect which, in the judgment of the City, is not materially adverse to the Bondholders;

(vi) to qualify the Bonds for a rating or ratings by any Rating Agency; and

(vii) to authorize the issuance of Additional Bonds in accordance with this Trust Agreement.

(b) Before the City shall, pursuant to this Section 13.02, execute any supplemental agreement there shall have been delivered to the City and the Trustee an Opinion of Bond Counsel addressed to the City and the Trustee to the effect that such supplemental agreement (i) is authorized or permitted by this Trust Agreement and the Refunding Law, and (ii) will, upon the execution and delivery thereof, be valid and binding upon the City in accordance with its terms, subject to the typical exceptions.

Section 13.03 Supplemental Agreement Requiring Consent of Bondholders.

(a) Except for any supplemental agreement entered into pursuant to Section 13.02, the Holders of not less than a majority in Total Bond Obligation shall have the right from time to time to consent to and approve the execution by the City of any supplemental agreement deemed necessary or desirable by the City for the purposes of modifying, altering, amending, supplementing or rescinding, in any particular, any of the terms or provisions contained in this Trust Agreement or in a supplemental agreement; provided, however, that, unless approved in writing by the Holders of all the Bonds then Outstanding, nothing contained herein shall permit or be construed as permitting (i) a change in the times, amounts or currency of payment of the principal of or interest on any Outstanding Bonds or (ii) a reduction in the principal amount or redemption price of any Outstanding Bonds or the rate of interest thereon; and provided that nothing contained herein, including the provisions of Section 13.03(b) below, shall, unless approved in writing by the Holders of all the Bonds then Outstanding, permit or be construed as permitting (1) a preference or priority of any Bond or Bonds over any other Bond or Bonds or (2) a reduction in the aggregate principal amount of Bonds the consent of the Holders of which is required for any such supplemental agreement. Nothing herein contained, however, shall be construed as making necessary the approval by Holders of the execution of any supplemental agreement as authorized in Section 13.02.

(b) If at any time the City shall desire to enter into any supplemental agreement for any of the purposes of this Section 13.03, the City shall cause notice of the proposed execution of the supplemental agreement to be given by Mail to all Holders. Such notice shall briefly set forth the nature of the proposed supplemental agreement and shall state that a copy thereof is on file at the office of the City for inspection by all Holders.

(c) Within two weeks after the date of the first mailing of such notice, the City may execute and deliver such supplemental agreement in substantially the form described in such notice, but only if there shall have first been delivered to the City (i) the required consents, in writing, of Holders and (ii) an Opinion of Bond Counsel addressed to the Trustee stating that such supplemental agreement is authorized or permitted by this Trust Agreement and other applicable law,

complies with their respective terms and, upon the execution and delivery thereof, will be valid and binding upon the City in accordance with its terms.

(d) If Holders of not less than the percentage of Bonds required by this Section 13.03 shall have consented to and approved the execution and delivery thereof as herein provided, no Holders shall have any right to object to the adoption of such supplemental agreement, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution and delivery thereof, or to enjoin or restrain the City from executing the same or from taking any action pursuant to the provisions thereof.

Section 13.04 Effect of Supplemental Agreements. Upon execution and delivery of any supplemental agreement pursuant to the provisions of this Article XIII, this Trust Agreement and all supplemental agreements shall be, and shall be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Trust Agreement and all supplemental agreements of the City, the Trustee, the Registrar, any Paying Agent and all Holders shall thereafter be determined, exercised and enforced under this Trust Agreement and all supplemental agreements, subject in all respects to such modifications and amendments.

Section 13.05 Supplemental Agreements to be Part of this Trust Agreement. Any supplemental agreement adopted in accordance with the provisions of this Article XIII shall thereafter form a part of this Trust Agreement or the supplemental agreement which they supplement or amend, and all of the terms and conditions contained in any such supplemental agreement as to any provision authorized to be contained therein shall be and shall be deemed to be part of the terms and conditions of this Trust Agreement which they supplement or amend for any and all purposes.

ARTICLE XIV

MISCELLANEOUS PROVISIONS

Section 14.01 Parties in Interest. Except as herein otherwise specifically provided, nothing in this Trust Agreement expressed or implied is intended or shall be construed to confer upon any person, firm or corporation other than the City, the Paying Agent, the Trustee, and the Bondholders any right, remedy or claim under or by reason of this Trust Agreement, this Trust Agreement being intended to be for the sole and exclusive benefit of the City, the Paying Agent, the Trustee and the Bondholders.

Section 14.02 Severability. In case any one or more of the provisions of this Trust Agreement, or of any Bonds issued hereunder shall, for any reason, be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Trust Agreement or of Bonds, and this Trust Agreement and any Bonds issued hereunder shall be construed and enforced as if such illegal or invalid provisions had not been contained herein or therein.

City nor any person executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

(b) Except for the payment when due of the payments and the observance and performance of the other agreements, conditions, covenants and terms required to be performed by it contained in this Trust Agreement, the City shall not have any obligation or liability to the Bondholders with respect to this Trust Agreement or the preparation, execution, delivery, transfer, exchange or cancellation of the Bonds or the receipt, deposit or disbursement of the payments by the Trustee, or with respect to the performance by the Trustee of any obligation required to be performed by it contained in this Trust Agreement.

Proof of the execution of any such instrument and of the ownership of Bonds shall be sufficient for any purpose of this Trust Agreement and shall be conclusive in favor of the Trustee with regard to any action taken by it under such instrument if made in the following manner:

(i) the fact and date of the execution by any person of any such instrument may be proved by the certificate of any officer in any jurisdiction who, by the laws thereof, has power to take acknowledgments within such jurisdiction, to the effect that the person signing such instrument acknowledged before him the execution thereof, or by an affidavit of a witness to such execution; and

(ii) the ownership of Bonds shall be proved by the registration books kept under the provisions of Section 3.01 hereof;

(b) Nothing contained in this Section 14.04 shall be construed as limiting the Trustee to such proof. The Trustee may accept any other evidence of matters herein stated which it may deem sufficient. Any request, consent of, or assignment by any Bondholder shall bind every future Bondholder of the same Bonds or any Bonds issued in lieu thereof in respect of anything done by the Trustee or the City in pursuance of such request or consent.

Section 14.05 Governing Law; Venue. This Trust Agreement is made in the State under the Constitution and laws of the State and is to be so construed.
