ABUNDANT AND ACCESSIBLE PARKS AND RECREATION ELEMENT					5	58	22	17		
457		PR-9.6: Partner with San Mateo County and other organizations to provide quality childcare and preschool services.		Recrea		*			Ongoing	Partnered with the County for the creation of the SMC Childcare Blueprint.
458	Goal PR-10: South San Francisco provides engaging and convenient programming and services for older adults.	PR-10.1: Expand Senior Services Program.		Recrea		*			Ongoing	New Congregate Nutrition program for seniors, expansion of services at the LPR, Bulos Center and Teglia Center. Additional grant funding for the Congregate Nurtition Program received.
459		PR-10.2: Maintain Adult Day Care Program.		Recrea		*			Ongoing	Increased enrollment in 2025.
460		PR-10.3: Partner with San Mateo County to extend senior services.		Recrea			*		1-2 years	Congregate Nutrition Program is grant funded by San Mateo County.
461		PR-10.4: Provide shuttle and van service to senior services.		CM				*	3-5 years	
462		PR-10.5: Publish Senior Connections Newsletter.		Comm		*			Ongoing	Parks & Recreation's newsletter includes a section dedicated to programs and services for older adults.
463	Goal PR-11: South San Francisco maintains an equitable, flexible, and sustainable funding approach to maintain park and recreational standards for existing and future residents.	PR-11.1: Diversify park funding.		Parks		*			Ongoing	Oyster Point CFD will assist with funding maintenance at Oyster Point Shoreline Park. Staff also will recieve limited term funding from Southline developers for maintenance of Centennial Way.
464		PR-11.2: Reduce long term operations and maintenance costs.		Parks			*		6-10 years	Implementing solar, water efficent landscapes, and use of electric tools and fleet.
465		PR-11.3: Regularly review developer impact fees.		CM		*			Ongoing	Feasibility study being led by ECD.
466		PR-11.4: Seek grant funding to help fund capital projects.		CM		*			Ongoing	In 2025, the City sold DNA Way to Genetech for \$25 million. City Council dedicated these funds to the new Fire Station 63.
467		PR-11.5: Explore bond funding.		CM		*			Ongoing	Future bond capacity depends on the performance of Measure W. As of the FY 2024-25 mid-year budget update, Measure W is projected to be \$1.5M less than projected for this fiscal year, which diminishes this resource's ability to back additional bonding.
468		PR-11.6: Provide publicly accessible private open space.		Planning	*				Complete	Zoning ordinance allows for development of publicly accessible private open space.

EQUITABLE COMMUNITY SERVICES ELEMENT					5	40	9	6		
473	Goal ECS-1. All residents are engaged in decisions that impact their lives.	ECS-1.1: Enhance language accessibility for City processes.	ECS-1.1.1: Hire multilingual staff.	Hum Res		*			Ongoing	
474			ECS-1.1.2: Create multilingual hub.	CM			*		1-2 years	City website includes translation to primary demographic languages (Spanish, Tagalog, Simplified Chinese, etc.)
475		ECS-1.2: Provide live multilingual interpretation.		CM			*		1-2 years	City newsletter format changed to leverage the capabilities of web browsers/Google to translate text into hundreds/thousands of languages.
476		ECS-1.3: Establish equitable engagement practices.	ECS-1.3.1: Provide navigation of City services.	Econ Dev		*			Ongoing	
477			ECS-1.3.2: Create partnerships to improve outreach.	CM		*			Ongoing	City staff have been growing partnership with Rise South City, the local CBO.
478			ECS-1.3.3: Develop ongoing feedback portal.	CM		*			Ongoing	Implemented OpenForms for members of the public to provide feedback on website. Removed cityinfo email address, so all general inquiries are being directed through OpenForms.
479		ECS-1.4: Engage Youth Commission.		CM		*			Ongoing	Youth Commissioners have engaged community by organizing special events such as toy drives for childhood cancer patients and the Peninsula Humane Society; volunteering at Library programs and events featuring STEAM learning for kids; discussing and reaching out to local policy members on issues beyond the local level.
480		ECS-1.5: Maintain diversity in boards and commissions.		CM		*			Ongoing	The Community Advisory Committee (CAC) for the City's Anti-Displacement efforts, led by ECD, serves as a model of diverse board composition.
481		ECS-1.6: Continue ongoing community meetings.		CM		*			Ongoing	
482		ECS-2.1: Increase internal capacity for equity.	ECS-2.1.1: Maintain dedicated staff for equity and inclusion.	CM	*				Complete	Completed with creation of Diversity, Equity and Inclusion Officer staff position.
483			ECS-2.1.2: Join national race / equity network membership.	CM			*		1-2 years	Member of National League of Cities, looking into Government Alliance on Race and Equity. Additionally, joined the "Racial Wealth Divide Learning Community" via NLC. Meetings are scheduled quarterly.
484			ECS-2.1.3: Partner regionally to support equity priorities.	CM		*			Ongoing	Meet with County quarterly on this item. Attend monthly meetings with Community Collaborative for Children's Success.

485	Goal ECS-2. South San Francisco is a leader in incorporating equity considerations into policies, programs, and procedures.		ECS-2.1.4: Create equity trainings for City staff.	CM		*			Ongoing	
486		ECS-2.2: Implement programs and procedures to advance racial and social equity.	ECS-2.2.1: Implement Racial and Social Equity Plan.	CM			*		1-2 years	Currently being implemented, most goals and suggestions have been accomplished.
487			ECS-2.2.2: Develop standardized reporting.	CM			*		3-5 years	
488		ECS-2.3: Conduct equity assessment for policies and ordinances.		CM		*			Ongoing	
489		ECS-2.4: Institutionalize equity in departmental operations.		CM		*			Ongoing	DEI Officer meets with department heads on a regular cadence to discuss departmental operations, and provides feedback on how they would incorporate equity.
490		ECS-2.5: Provide inclusive communications. Reflect the languages, cultures, and ethnicities found in the South San Francisco community in promotional materials and library collections.		Library		*			Ongoing	This past year the Library featured community programs and events for Lunar New Year, Black History Month, Asian American and Pacific Islander Heritage Month, Pride Month, Hispanic/LatinX Heritage Month, Filipino America History Month, Women's History Month and more; international collections continue to grow, including materials in Cantonese, Spanish, Tagalog.
491		ECS-2.6: Reduce documentation for services.		CM				*	1-2 years	
492	Goal ECS-3. South San Francisco is a leader in providing equitable access to city services and resources.	ECS-3.1: Ensure equitable distribution of opportunities.	ECS-3.1.1: Expand placement of events.	CM		*			Ongoing	2025 Events included National Night Out (with locations spread across the city), Santa Comes to Town at City Hall, Cultura Fest in downtown, Cafecitos in a few election districts, Memorial Day at Fire Station 61, and the Turkey Trot along the shoreline.
493			ECS-3.1.2: Expand internet connectivity.	Info Tech			*		6-10 years	City completed installation of a fiber optic cable to the Westborough area in 2025, improving broadband connectivity to Westborough Preschool and Fire Station 64.
494			ECS-3.1.3: Explore Downtown Resource Center.	Cap Proj	*				Complete	Established with the Economic Advancement Center, which provides multiple community resources.
495		ECS-3.2: Meet community needs for programing and services.	ECS-3.2.1: Conduct ongoing evaluation of services.	CM		*			Ongoing	Commission on Equity and Public Safety implemented a survey in June 2025 and conducted interviews in August 2025.

EQUITABLE COMMUNITY SERVICES ELEMENT					5	40	9	6		
496	Goal ECS-3. South San Francisco equitably provides public services for all residents.		ECS-3.2.2: Pilot equitable involvement in services.	CM			*		1-2 years	Completed a FlashVote survey; P&R will follow-up on results (i.e. more 20-something programming).
497			ECS-3.2.3: Target locations of services.	Recrea		*			Ongoing	P&R Master Plan update to begin in 2026 and will identify priorities.
498		ECS-3.3: Consider expanding Universal Basic Income Pilot.		CM				*	1-2 years	Since the City has exhausted its ARPA funding and the General Fund has a structural deficit, it is unlikely that we will be able to expand on UBI.
499		ECS-3.4: Develop community benefits agreements program.		Planning	*				Complete	Completed with adoption of Zoning Ordinance Update.
500		ECS-3.5: Develop and promote small businesses.		Econ Dev		*			Ongoing	
501		ECS-3.6: Enhance language accessibility for City programs and services.		CM				*	1-2 years	City Clerk's Office is researching this within regards to Council meetings and packets.
502		ECS-3.7: Support age-friendly initiatives.	ECS-3.7.1: Pursue age-friendly community designation.	CM	*				Complete	AARP designated the City as age friendly in June 2023. Age friendly action plan was approved by City Council in October 2025.
503	Goal ECS-4. South San Francisco provides well-maintained and sustainable facilities to meet the needs of current and future residents.	ECS-4.1: Sustain facility maintenance staffing targets.		Facilities		*			Ongoing	Additional resources will be needed for new facilities to open.
504		Policy: ECS-4.2: Maintain existing and future city facilities.		Facilities		*			Ongoing	
505		ECS-4.3: Identify reductions to long term operations and maintenance costs.		Facilities		*			Ongoing	Sustainability measures are constantly being considered, including solar, water savings, and electrification.
506		ECS-4.4: Integrate sustainable landscape strategies.		Parks		*			Ongoing	Implementing solar, water efficent landscapes, and use of electric tools and fleet.
507		ECS-4.5: Activate City facilities.		Recrea		*			Ongoing	
508		ECS-5.1: Develop partnerships for education.	ECS-5.1.1: Collaborate with life sciences industry.	Econ Dev		*			Ongoing	
509			ECS-5.1.2: Identify special education opportunities.	Econ Dev				*	3-5 years	
510			ECS-5.1.3: Expand arts education.	Recrea		*			Ongoing	Implemented extended gallery schedule at LPR.

511	Goal ECS-5. The City provides high-quality educational opportunities for all children and youth by maintaining a positive relationship with the South San Francisco Unified School District.		ECS-5.1.4: Mitigate summer learning slide.	Library		*			Ongoing	The Summer Learning Challenge included programming for all ages and distributed over 10,000 free books in the Library, at schools and preschools, to summer camp participants and at library and city programs and events. Attendance at 2025 Summer Learning Challenge programs topped 9,000.
512		ECS-5.2: Provide a variety of youth programming.	ECS-5.2.1: Target placement of programming.	Recrea		*			Ongoing	P&R Master Plan update to begin in 2026 and will identify priorities.
513			ECS-5.2.2: Create summer internship pilot.	CM		*			Ongoing	While the City was able to offer its Youth Summer Internship Program (YSIP) in Summer 2024, due to budget reductions in FY 2024-25, the City will need to scale back internship program offerings.
514			ECS-5.2.3: Create youth pilot programs to address resource gaps.	CM			*		1-2 years	
515		ECS-5.3: Maintain a data sharing agreement with South San Francisco Unified School District.		CM		*			Ongoing	
516	Goal ECS-6. South San Francisco promotes community safety and a sense of belonging for all	ECS-6.1: Improve public safety.	ECS-6.1.1: Maintain community fire stations.	Fire		*			Ongoing	Completed a grant funded project that upgraded electronic security access at all stations and improved fencing and security as Stations 61 and 64. Station 62 is in need of perimeter fencing and a security gate.
517			ECS-6.1.2: Establish Community Safety and Equity Advisory Board.	Police	*				Complete	
518			ECS-6.1.3: Strengthen community cohesion through engagement with Police and Fire.	Police		*			Ongoing	
519		ECS-6.2 Develop and expand diversion programs.		CM				*	3-5 years	
520		ECS-6.3: Develop partnerships for referrals.		Housing		*			Ongoing	Promotores program provides an intake point for residents in need of social service connections including for housing resources, homelessness prevention, foodbank referrals and healthcare needs
521		ECS-6.4: Support reentry and restorative justice programs.		CM				*	3-5 years

COMMUNITY HEALTH AND ENVIRONMENTAL JUSTIC ELEMENT					6	33	7	17		
561	Goal CHEJ-3. South San Francisco neighborhoods near highways and industrial uses have improved air quality.		CHEJ-3.2.3: Transition the City's vehicle fleet to lower-emission fuel technologies.	Maint			*		6-10 years	
562		CHEJ-3.3: Support businesses in transitioning their operations to emit fewer air pollutants.	CHEJ-3.3.1: Explore incentives for pollution reduction.	Sustain			*		6-10 years	On June 9, 2021, South San Francisco adopted its Residential Electrification Reach Code which mandates that all newly constructed residential buildings be electric-only, i.e., designed without the use of gas. The City readopted our Electrification Reach Code on October 22, 2025 during the most recent code cycle readoption. The City has development agreements in place with some Office/R&D projects that require all electric construction; these projects include the two Steelwave projects at 180 El Camino Real and 101/131 Terminal Court) and both IQHQ projects (580 Dubuque Avenue, which is now constructed, and 800 Dubuque Avenue). The Public Works Department and others have ongoing efforts to electrify their fleets and equipment. The City Manager's Office is participating in the County Office of Sustainability's countywide RICAPS meetings to collaborate with the County and local jurisdictions and explore ways to reduce pollution.
563			CHEJ-3.3.2: Reduce indoor air pollution.	Building		*			Ongoing	Accomplished with changes within the California Green Code which regulates more healthy standards for materials and lower VOC's.
564			CHEJ-3.4: Encourage participation in the Green Business Program.	Econ Dev		*			Ongoing	
565			CHEJ-3.5: Discourage development of sensitive uses near sources of pollution.	Planning	*				Complete	Completed with adoption of Zoning Ordinance Update in 2022 and Lindenville Specific Plan in 2023.
566			CHEJ-3.6: Incentivize air filtration in multifamily residential buildings.	Planning	*				Complete	Completed with adoption of Zoning Ordinance Update in 2022 and Lindenville Specific Plan in 2023.

No.	GP Goal	GP Policy	GP Action	Dept	Status				Timeframe	Notes

COMMUNITY HEALTH AND ENVIRONMENTAL JUSTIC ELEMENT					6	33	7	17		
567		CHEJ-3.7: Expand tree canopy.		Parks		*			Ongoing	Staff is partnering with Rise South City to give away free trees and working with their promotores to educate residents on the importance of the urban forest. Staff also share educational resources for community education.
568	Goal CHEJ-4. South San Francisco generates less solid waste, cleans up hazardous sites, and ensures safe storage and transportation of hazardous materials in Lindenville and East of 101.	CHEJ-4.1: Support Brownfield remediation.	CHEJ-4.1.1: Maintain map of hazardous sites.	Planning				*	1-2 years	
569			CHEJ-4.1.2: Precautions for Oyster Point Landfill.	Eng/PW			*		3-5 years	
570		CHEJ-4.2: Require remediation before development.		Planning	*				Complete	Completed with adoption of Zoning Ordinance Update in 2022 and Lindenville Specific Plan in 2023.
571		CHEJ-4.3: Reduce exposure from hazardous materials.		Planning	*				Complete	Completed with adoption of Zoning Ordinance Update in 2022 and Lindenville Specific Plan in 2023.
572		CHEJ-4.4: Maintain map of hazardous materials transport route.		Eng/PW		*			Ongoing	
573		CHEJ-4.5: Establish land use restrictions on new toxic wastes.		Planning	*				Complete	Completed with adoption of Zoning Ordinance Update in 2022 and Lindenville Specific Plan in 2023.
574		CHEJ-4.6: Expand community engagement on remediation.		Planning					3-5 years	
575	Goal CHEJ-5. Residents of all incomes, ages and abilities have opportunities to lead active lifestyles.	CHEJ-5.1: Provide recreational programming to increase physical activity.		Recrea		*			Ongoing	Partnering with San Mateo County to pilot a Rec Rx program.
576		CHEJ-5.2: Develop partnerships to promote physical activity.		Recrea		*			Ongoing	Partnering with San Mateo County to pilot a Rec Rx program.
577		CHEJ-5.3: Promote active transportation.		Planning		*			Ongoing	
578		CHEJ-5.4: Access to clean drinking water.		CM		*			Ongoing	
579		CHEJ-6.1: Strengthen programs to maintain a safe and sanitary supply of affordable housing.	CHEJ-6.1.1: Continue working with San Mateo Fall Prevention Task Force.	Building		*			Ongoing	
580			CHEJ-6.1.2: Establish lead and asbestos removal program.	Building				*	6-10 years	San Mateo County leads this effort for initial evaluations.

COMMUNITY HEALTH AND ENVIRONMENTAL JUSTIC ELEMENT					6	33	7	17		
581	Goal CHEJ-6. Low-income residents have access to safe housing and shelter throughout South San Francisco.	CHEJ-6.2: Enforce housing maintenance and building codes safety.		Housing		*			Ongoing	The City has developed a standing cross-departmental bi-weekly meeting to discuss properties with code violations or building code violations and ensure that safety is addressed and tenants are aware of their rights.
582		CHEJ-6.3: Track HUD inspections.		Housing		*			Ongoing	
583		CHEJ-6.4: Strengthen programs to provide housing and services for unhoused residents.	CHEJ-6.4.1: Provide safe restroom facilities.	CM			*		1-2 years	New restroom, The Throne, is now available at Linden Park.
584			CHEJ-6.4.2: Implement permanent supportive housing.	Housing		*			Ongoing	Coordinating with San Mateo County and Homekey funding to convert the former Ramada Inn at 721 Airport Blvd into permanent supportive housing.
585			CHEJ-6.4.3: Provide services for unhoused families.	Housing		*			Ongoing	Support a family shelter in Daly City, LifeMoves at 50 Hilcrest Dr.
586			CHEJ-6.4.4: Provide services for unhoused families.	Housing		*			Ongoing	Support a family shelter in Daly City, LifeMoves at 50 Hilcrest Dr.
587			CHEJ-6.5: Partner with the local shelters.		CM		*		Ongoing	CMO/ECD Staff and a few elected officials toured Safe Harbor in July 2024. SSFPD places unhoused individuals at Safe Harbor for emergency shelter. CMO staff will bring leftover food from city events to Safe Harbor.
588	Goal CHEJ-7. Low-income households are protected from displacement.	CHEJ-7.1: Support residents who are at-risk of being displaced.	CHEJ-7.1.1: Provide renter education and assistance.	Housing		*			Ongoing	Created anti-displacement Community Advisory Committee (CAC). Ongoing YMCA rental assistance program.
589			CHEJ-7.1.2: Develop anti-displacement plan.	Housing	*				Complete	Anti-Displacement Roadmap adopted in 2025.
590			CHEJ-7.1.3: Create a rental and eviction registry.	Housing		*			Ongoing	Rental registry is in effect through the City's Business License requirements. Eviction data is tracked by San Mateo County.
591			CHEJ-7.1.4: Provide housing for people with disabilities.	Planning				*	3-5 years	
592		CHEJ-7.2: Create pathways for homeownership.	CHEJ-7.2.1: Connect residents to mortgage assistance resources.	Housing		*			Ongoing	Participate (fund) in regional down payment assistance program, HEART.
593		CHEJ-7.3: Encourage resident controlled limited-equity housing.		Cap Proj				*	1-2 years	
594		CHEJ-7.4: Expand housing funds and programs.		Recrea				*	1-2 years

COMMUNITY RESILIENCE ELEMENT					7	26	6	14		
597	Goal CR-1: The City proactively advances community resilience and is prepared for all hazards, including climate disruption.	CR-1.1: Prioritize the needs of vulnerable populations.		Sustain		*			Ongoing	
598		CR-1.2: Participate in regional hazard planning initiatives.	CR-1.2.1: Continue to fund and contribute to the San Mateo County Flood and Sea Level Rise Resiliency District.	CM		*			Ongoing	City submitted annual letter of intent seeking funding to address sea level rise. City is facilitating sea level rise efforts between SFO, Samtrans, One Shoreline, including WQCP. City will continue to contribute to OneShoreline for the next three fiscal years; \$50,000 per year for three years beginning in 2025-26. Public Works secured grant funds from the USACE for sea level rise at the WQCP
599			CR-1.2.2. Coordinate utility redundancy.	CM			*		6-10 years	Library Parks and Rec Center includes photovoltaics, backup batteries and microgrids. New Aquatic Center will include photovoltaics.
600		CR-1.3: Mainstream municipal climate preparedness planning and assessment.	CR-1.3.1: Participate in the countywide Hazard Mitigation Plan.	Fire		*			Ongoing	2023 Countywide hazard mitigation plan and SSF Annex to the plan were approved by Council. Continuous five year review and approval of this plan.
601			CR-1.3.2: Conduct municipal building and facility sea level rise studies.	Water Qu		*			Ongoing	
602			CR-1.3.3: Require multi-hazard real estate disclosure.	Planning				*	3-5 years	
603		CR-1.4: Develop and maintain resilient infrastructure standards.		Eng/PW				*	1-2 years	
604		CR-1.5: Require capital projects in high hazard areas to adhere to risk assessment guidance.		Eng/PW		*			Ongoing	
605		CR-1.6: Continually strengthen emergency management and operations.	CR-1.6.1: Develop a resiliency hub program.	Fire			*		1-2 years	Funding has been approved for new Station 63 and its associate landed has been aquired. City Staff are working with the design team to complete construction documents and move the porject out to bid.
606			CR-1.6.2: Upgrade the Emergency Operations Center.	Fire	*				Complete	EOC audio and visual equipment has been replaced with internal funding. The equipment is in place and the upgrade is complete.

No.	GP Goal	GP Policy	GP Action	Dept	Status				Timeframe	Notes
					Complete	Ongoing	Underway	No Action		
COMMUNITY RESILIENCE ELEMENT					7	26	6	14		
607			CR-1.6.3: Establish a resilience education program.	Econ Dev		*			Ongoing	City partners with regional entities on resiience education programs through the Silicon Valley Econ Development Alliance, San Mateo County and through the City's Economic Advancement Center
608			CR-1.6.4: Identify locations for post-disaster emergency housing.	Planning				*	3-5 years	
609			CR-1.6.5: Maintain evaluation route plans.	Fire		*			Ongoing	Partnering with San Mateo County Department of Emergency Operations to regularly evaluate evacuation routes and exercise evacuation implementation with our police department.
610		CR-1.7: Expand Community Emergency Response Team.	CR-1.7.1: Foster Community Emergency Response Team – Promotores collaboration.	Fire		*			Ongoing	Workplan for 2026
611			CR-1.7.2: Increase Community Emergency Response Team outreach in community.	Fire		*			Ongoing	2025 CERT Academy completed training for 25 new CERT members. The next CERT Academy is scheudled for 2027.
612			CR-1.7.3: Expand Community Emergency Response Team outreach at the library.	Fire				*	1-2 years	Workplan for 2026
613		CR-1.8: Enhance post-disaster recovery planning.	CR-1.8.1: Prepare a post-disaster recovery plan.	Fire				*	1-2 years	Grant funds requested to hire a consultant, have not gained funding yet
614			CR-1.8.2: Adopt post-disaster repair standards for existing buildings.	Building		*			Ongoing	SSF has a Back to Business (B2B) program that allows commercial buildings to establish a contract with the City to appoint private, qualified personel (engineers) to evaluate their buildings post disaster to expedite their opening back up.
615		CR-1.9: Assess needs and resources for future pandemic response.		CM				*	3-5 years	
616		CR-2.1: Use best available sea level rise projections.		Sustain		*			Ongoing	In late 2025, the Engineering Division kicked off the Shoreline Protection and Connectivity Porject to identify, evaluate, and recommend conceptual flood protection strategies that address current and future coastal flood risks from sea level rise and increased storm surges. The study area is along the San Francisco Bay shoreline near the outfalls of Colma Creek and San Bruno Creek. This project will wrap up in December 2026.

COMMUNITY RESILIENCE ELEMENT					7	26	6	14		
617	Goal CR-2: A resilient community that protects existing and future development and people from sea level rise and flooding.	CR-2.2: Implement a variety of adaptation solutions.	CR-2.2.1: Pursue shoreline protection for existing and future development.	Sustain		*			Ongoing	In late 2025, the Engineering Division kicked off the Shoreline Protection and Connectivity Feasibility Study to identify, evaluate, and recommend conceptual flood protection strategies that address current and future coastal flood risks from sea level rise and increased storm surges. The study area is along the San Francisco Bay shoreline near the outfalls of Colma Creek and San Bruno Creek. This project will wrap up in December 2026. Applicable to future development, the City adopted a Floodplain / Sea Level Rise Overlay district (SSFMC 20.180) which applies to areas along the San Francisco Bay Shoreline.
618			CR-2.2.2: Use nature-based solutions for ecosystem resilience.	Eng/PW		*			Ongoing	
619		CR-2.3: Use green infrastructure to reduce flooding.		Eng/PW				*	3-5 years	
620		CR-2.4: Site municipal buildings and facilities at higher elevations.	CR-2.4.1: Conduct Fire Station 61 and 62 relocation feasibility study.	Fire			*		1-2 years	Prioritizing Station 62 due to recent impacts from sea level rise associated with king tides.
621		CR-2.5: Require floodproofing for new development in sea level rise inundation zones.		Planning	*				Complete	Completed with adoption of Zoning Ordinance Update.
622		CR-2.6: Require redevelopment in sea level rise inundation zones to adhere to sea level rise policies.		Planning	*				Complete	Completed with adoption of Zoning Ordinance Update.
623		CR-2.7: Require rebuilding of flood-damaged properties to meet sea level rise policies.		Planning	*				Complete	Completed with adoption of Zoning Ordinance Update.

No.	GP Goal	GP Policy	GP Action	Dept	Status				Timeframe	Notes
					Complete	Ongoing	Underway	No Action		
COMMUNITY RESILIENCE ELEMENT					7	26	6	14		
624		CR-2.8: Partner with public and quasi-public agencies to minimize the impacts of sea level rise.		Sustain			*		1-2 years	The City will continue funding OneShoreline \$50,000 each year, beginning in 2025-26, for three years up to a total of \$150,000. The City Manager's Office organizes and facilitates quarterly Sea Level Rise meetings with staff from the City of SSF, OneShoreline, SamTrans, and SFO. These productive conversations identify collaboration opportunities and links between projects sponsored by the participating agencies.
625		CR-2.9: Prioritize landward relocation of the Bay Trail realignment after flooding.		Planning	*				Complete	Completed with adoption of Zoning Ordinance Update.
626		CR-2.10: Explore sea level rise adaptation financing options.		Sustain			*		1-2 years	The Shoreline Protection and Connectivity Feasibility Study Report will include a realistic funding strategy to advance the project recommendations into the next phase. This is anticipated to be completed by December 2026.
627	Goal CR-3: A transformed Colma Creek.	CR-3.1: Develop Colma Creek adaptation solutions.		Planning			*		3-5 years	OneShoreline staff started adaptation feasibility studies within the Colma Creek corridor in 2025; City staff is assisting in these efforts.
628	Goal CR-4: The City minimizes the risk to life and property from seismic activity and geologic hazards in South San Francisco.	CR-4.1: Protect buildings, infrastructure, and other assets from seismic hazards.	CR-4.1.1: Conduct seismic assessments for municipal assets.	Building		*			Ongoing	Municipal buildings were last seismically assessed in 1990s and had retrofit work completed if necessary.
629			CR-4.1.2: Continually update the Building Code for seismic and other hazard safety.	Building		*			Ongoing	Completed every three years with the updated Title 24 California State Codes.
630			CR-4.1.3: Maintain a soft-story buildings inventory.	Building				*	6-10 years	
631			CR-4.1.4: Expand seismic retrofit incentive program expansion.	Building			*		Ongoing	Done through State and federal programs.
632			CR-4.2: Maintain emergency response capabilities.		Fire		*			Ongoing
633		CR-4.3: Discourage hillside area development on slopes more than 30 percent.		Planning	*				Complete	Completed with adoption of Zoning Ordinance Update.

681	parks in South San Francisco.	CP-5.4: Require 75% waste diversion for municipal construction and demolition projects.		Cap Proj		*			Ongoing	
682		CP-5.5: Energy resilience of municipal buildings.		Cap Proj		*			Ongoing	LPR building completed in 2023 is all electric. New Aquatic Center will be all electric with solar. Installing solar to Corporation Yard.
683		CP-5.6: Electric vehicle chargers at municipal facilities.		Cap Proj		*			Ongoing	Providing EV chargers at Aquatic Center.
684	Goal CP-6: The City continues to divert organics from landfill in accordance with State targets.	CP-6.1: Maintain and update Waste Reduction Plan.	CP-6.1.1: Adopt a Zero-waste plan.	Maint				*	1-2 years	
685			CP-6.1.2: SSF Scavenger partnership.	Maint		*			Ongoing	
686			CP-6.1.3: Establish waste reduction compliance pathways.	Maint				*	1-2 years	
687		CP-6.2: Educational outreach about waste diversion.		Sustain			*		1-2 years	The Public Works Department reguarly coordinates with SSF Scavengers on educational materials regarding waste diversion.
688		CP-6.3: Modify waste rate structures.		Sustain			*		3-5 years	Currently engaged with SSF Scavenger on amending the franchise agreement to include the cost of a Code Enforcement Supervisor, transfer station vouchers for multi-family units, and illegal dumping services.
689		CP-6.4: Establish City green purchasing program. Establish a green purchasing program for City of South San Francisco.		Sustain				*	1-2 years	The City has established requirements that align with SB 1383's recycled-content paper procurement requirements. Each year, the Public Works Department prepares a SB 1383 compliance report for CalRecycle.
690	Goal CP-7: The City increases carbon sequestration in public	CP-7.1: Protect and expand wetland habitat.		Sustain				*	3-5 years	
691		CP-7.2: Expand tree canopy cover.		Parks		*			Ongoing	Staff is partnering with Rise South City to give away free trees and working with their promotores to educate residents on the importance of the urban forest. Staff also share educational resources for community education.

CLIMATE PROTECTION ELEMENT					2	18	10	17		
692	lands, in open spaces, and in the urban forest through marsh enhancement and tree planting.	CP-7.3: Enhance Colma Creek ecological corridor.		Sustain				*	3-5 years	The City is participating in OneShoreline's Colma Creek Working Group which is providing input on two initiatives - a Colma Creek Watershed Plan and the evaluation & design of capital projects along the Creek near Highway 101.
693		CP-7.4: Explore carbon farming. Explore compost application on available acres of appropriate open space.		Sustain				*	3-5 years	The Public Works Department participates in a program in which compost is used on farms within San Mateo County.
694	Goal CP-8: The South San Francisco – San Bruno Water Quality Control Plant is a model for sustainable, resilient operations.	CP-8.1: Evaluate system efficiency.		Water Qu		*			Ongoing	
695		CP-8.2: Explore renewable biogas production.		Water Qu			*		1-2 years	Studying feasibility
696		CP-8.3: Explore recycled water supply.		Water Qu			*		1-2 years	Studying feasibility

ENVIRONMENTAL AND CULTURAL STEWARDSHIP ELEMENT					7	18	8	27		
697	Goal ES-1: The City supports nature in South San Francisco to encourage healthy ecosystems, improve air and water quality, improve public health, and adapt to a changing climate.	ES-1.1: Develop a connected open space network.		Parks				*	6-10 years	Discussion on acquisition of private properties on Sign Hill on-going.
698		ES-1.2: Strive for habitat diversity across the city.		Parks		*			Ongoing	New Centennial Way Park South includes a pollinator garden, pollinator friendly plants are encourgared in all new planting projects and rehab of existing landscape areas.
699		ES-1.3: Create a connected network of wildlife corridors.		Parks				*	6-10 years	Continued work to expand trail networks along Centennial Way Trail and the SF Bay Trail.
700		ES-1.4: Plant for biodiversity.	ES-1.4.1: Manage vegetation at parks and open space for biodiversity.	Parks		*			Ongoing	New Centennial Way Park South includes a pollinator garden, pollinator friendly plants are encourgared in all new planting projects and rehab of existing landscape areas.
701		ES-1.5: Conduct equity assessments for conservation efforts.		CM				*	3-5 years	
702	Goal ES-2: South San Francisco is a steward of the San Francisco Bay and its habitat.	ES-2.1: Protect marsh and wetland habitat.		Sustain			*		3-5 years	In late 2025, the Engineering Division kicked off the Shoreline Protection and Connectivity Feasibility Study to identify, evaluate, and recommend conceptual flood protection strategies that address current and future coastal flood risks from sea level rise and increased storm surges. The study area is along the San Francisco Bay shoreline near the outfalls of Colma Creek and San Bruno Creek. This project will wrap up in December 2026.
703		ES-2.2: Maintain development standards adjacent to the San Francisco Bay to support habitat.	ES-2.2.1: Require bird safe design East of 101.	Planning	*				Complete	Completed with adoption of Zoning Ordinance Update.
704	Goal ES-3: Colma Creek is an ecological corridor that supports community resilience and livability.	ES-3.1: Enhance Colma Creek as an ecological corridor.	ES-3.1.1: Implement Colma Creek interpretive signage.	Parks				*	6-10 years	
705		ES-3.2: Co-locate park and open space patches along Colma Creek.		Parks				*	6-10 years	
706		ES-3.3: Maintain development standards along Colma Creek to support habitat.		Planning	*				Complete	Zoning Ordinance and Lindenville Specific Plan include development standards adjacent to Colma Creek.
707		ES-3.4: Implement stormwater management throughout the Colma Creek watershed.		Eng/PW				*	3-5 years	
708		ES-3.5: Maintain stormwater management partnerships.		Water Qu		*			Ongoing	
709		ES-4.1: Expand tree canopy cover.	ES-4.1.1: Implement the City's Urban Forest Plan.	Parks		*			Ongoing	Partnering with Rise South City to give away free trees.
710		ES-4.2: Avoid tree removal.		Parks		*			Ongoing	Working with Public Works to create advanced paving solutions to minimize root damage and subsequent removal (namely Silva cells). More diversity in tree selection is also promoted.

ENVIRONMENTAL AND CULTURAL STEWARDSHIP ELEMENT					7	18	8	27		
711	Goal ES-4: An abundant, robust urban forest that contributes to South San Francisco’s quality of life as it combats the effects of climate change.	ES-4.3: Support the staged succession of tree planting.		Parks		*			Ongoing	
712		ES-4.4: Plan for tree planting to promote tree health.		Parks	*				Complete	
713		ES-4.5: Promote good tree maintenance.		Parks		*			Ongoing	
714		ES-4.6: Support education and engagement about the urban forest.		Parks		*			Ongoing	Staff is partnering with Rise South City to give away free trees and working with their promotores to educate residents on the importance of the urban forest. Staff also share educational resources for community education.
715		ES-4.7: Enforce the Tree Preservation Ordinance.		Maint		*			Ongoing	
716		ES-4.8: Maintain and update the tree inventory.		Parks		*			Ongoing	Inventory completed; maintenance is ongoing.
717		ES-4.9: Choose native, climate-adaptive trees.		Parks		*			Ongoing	
718		ES-4.10: Require tree survey with project applications.		Planning				*	1-2 years	Will add requirement to Planning Application
719	Goal ES-5: Landscape design standards for new development enhance habitat quality, reduce water use, and support a diverse ecosystem.	ES-5.1: Remove invasive species.		Planning				*	3-5 years	
720		ES-5.2: Control and manage invasive plants found on site.		Planning				*	3-5 years	
721		ES-5.3: Use a waterwise planting palette during new construction.	ES-5.3.1: Update the planting guidelines.	Planning				*	3-5 years	
722		ES-5.4: Preserve native plants during construction.		Planning				*	3-5 years	
723		ES-5.5: Plant using a multi-layered cluster to support wildlife.		Planning				*	3-5 years	
724		ES-5.6: Create pollinator habitats in medians and landscapes.		Parks		*			Ongoing	New Centennial Way Park South includes a pollinator garden, pollinator friendly plants are encouraged in all new planting projects and rehab of existing landscape areas.
725		ES-5.7: Discourage herbicide and pesticide use.		Parks		*			Ongoing	Administratively adopted new Integrated Pest Management policy.
726		ES-5.8: Design irrigation systems for water conservation.		Planning				*	3-5 years	
727		ES-5.9: Encourage alternative irrigation water sources.		Parks		*			Ongoing	OMP Stormwater Capture, rain capture barrels.
728		ES-5.10: Use regenerative design practices.		Planning				*	3-5 years	
729	Goal ES-6: Threatened and endangered wildlife	ES-6.1: Catalog wildlife and plant inventories.		Planning				*	3-5 years	
730		ES-6.2: Conduct wildlife and plant assessments for new development.		Planning				*	1-2 years	Will add requirement to Planning Application, applicable to projects located within environmentally sensitive areas as identified in GP.

731	and plant species thrive in South San Francisco.	ES-6.3: Conduct site-specific assessments for new development in ecologically sensitive habitat areas.		Planning	*				Complete	Completed with adoption of Zoning Ordinance Update.
732		ES-6.4: Manage and conserve natural areas at risk.		Parks		*			Ongoing	City is exploring opportunities to purchase privately owned parcels on Sign Hill.
733	Goal ES-7: The City increases stormwater infiltration and reduces the amount of pollutants entering the stormwater system.	ES-7.1: Develop and implement comprehensive watershed management strategy.		Eng/PW				*	3-5 years	
734		ES-7.2: Integrate green infrastructure in City projects.	ES-7.2.1: Implement the Green Infrastructure Plan.	Eng/PW		*			Ongoing	
735			ES-7.2.2: Identify opportunities to implement green Infrastructure in parks and open space.	Parks		*			Ongoing	All new projects require green infrastructure and minimize impervious surfaces. Expand use of technology to support this goal.
736		ES-7.3: Require stormwater management practices for new and redevelopment projects.		Planning	*				Complete	Completed with adoption of Zoning Ordinance Update.
737		ES-7.4: Encourage pervious surfaces in new developments.		Planning	*				Complete	Completed with adoption of Zoning Ordinance Update.
738	Goal ES-8: Clean and sustainable groundwater.	ES-8.1: Optimize groundwater recharge in new development.		Planning				*	3-5 years	
739		ES-8.2: Implement potable water demand reduction measures.		Sustain				*	3-5 years	In Fall 2025, the City Manager's Office created a new webpage titled "Sustainability Resources for Your Home" which includes links to CalWater resources about reducing water consumption.
740	Goal ES-9: Protect important historic architectural resources for the aesthetic, educational, economic, and scientific contribution they make to South San Francisco's identity and quality of life.	ES-9.1: Maintain a Historic Resources Inventory.	ES-9.1.1: Explore the feasibility of a Downtown Historic Commercial District development.	Planning				*	3-5 years	
741			ES-9.1.2: Prepare Downtown urban design guidelines.	Planning			*		1-2 years	Objective Design Standards Update / Public Realm Standards project started in 2025.
742			ES-9.1.3: Expand historic markers and maps to promote and celebrate history.	Planning				*	3-5 years	
743			ES-9.1.4: Expand historic resources education through partnerships.	Planning				*	3-5 years	
744			ES-9.1.5: Preservation resources.	Planning				*	3-5 years	
745		ES-9.2: Identify historic resources.		Planning				*	3-5 years	
746		ES-9.3: Encourage adaptive reuse of historic resources.		Planning				*	3-5 years	
747		ES-9.4: Protect hardscape and cultural landscape elements.		Planning				*	3-5 years	
748		ES-9.5: Require historic surveys as part of development project requirements.	ES-9.5.1: Historic evaluation.	Planning	*				Complete	Completed with adoption of Zoning Ordinance Update.
749			ES-10.1: Maintain archaeological procedures for new development.		Planning				*	1-2 years

ENVIRONMENTAL AND CULTURAL STEWARDSHIP ELEMENT					7	18	8	27		
750	Goal ES-10: South San Francisco's archaeological resources provide a link to the city's prehistoric and historic past and strengthen the city's sense of place.	ES-10.2: Support archaeological education.		Planning				*	3-5 years	Will include requirement to refer projects to NAHC and local Native Americal tribes on Planning Application form.
751		ES-10.3: Require that development proposals be referred to appropriate archaeological resources.		Planning			*		1-2 years	
752		ES-10.4: Ensure the protection of known archaeological resources through records review.		Planning			*		1-2 years	
753		ES-10.5: Discovery of significant historic or prehistoric archaeological artifacts.		Planning			*		1-2 years	
754	Goal ES-11: South San Francisco protects sites, features, places, or objects that are of cultural value to one or more California Native American Tribes.	ES-11.1: Identification of tribal cultural resources.		Planning			*		1-2 years	Standard mitigation measure.
755		ES-11.2: Include history of Native American peoples in Colma Creek transformation.		Planning				*	6-10 years	
756		ES-11.3: Conduct tribal consultation during development review.		Planning		*			Ongoing

NOISE ELEMENT					4	2	1	1		
757	Goal NOI-1: Residents and employees of South San Francisco are exposed to acceptable noise levels.	NOI-1-1: Ensure new development complies with Noise Compatibility guidelines.	NOI-1.1.1: Enforce Exterior and Interior noise limits.	Building		*			Ongoing	Via SSF municipal code requirements and requirements for interior noise level maximums from California Building Code and California Residential Code.
758			NOI-1.1.2: Incorporate noise compatibility conditions of approval.	Planning				*	1-2 years	
759			NOI-1.1.3: Require noise study in applicable areas.	Planning			*		1-2 years	Will add requirement to Planning Application.
760			NOI-1.1.4: Enforce Noise Insulation Standards.	Building		*			Ongoing	Via SSF municipal code requirements and requirements for interior noise level maximums from California Building Code and California Residential Code.
761			NOI-1.1.5: Require noise control for new developments.	Planning	*				Complete	Completed with adoption of Zoning Ordinance Update.
762	Goal NOI-2: Prevent the exposure of residents and employees of South San Francisco unacceptable vibration levels.	NOI-2.1: Require vibration analysis for sensitive receptors.		Planning	*				Complete	Completed with adoption of Zoning Ordinance Update.
763		NOI-2.2: Require vibration analysis for rail lines.		Planning	*				Complete	Completed with adoption of Zoning Ordinance Update.
764	Goal NOI-3: Historic structures are not exposed to unacceptable vibration levels.	NOI-3.1: Require vibration analysis for historic structure protection.		Planning	*				Complete	Completed with adoption of Zoning Ordinance Update.
