

2025 Flash Vote Project

SSF Equity & Public Safety Commission Sub-Committee

What Insight do We Want?

What are SSF residents' perceptions of trust, transparency, and equity in City's policies, programs, and procedures.

What will we do with it?

Data to understand SSF's opportunity areas to address equity for the E&PS commission to focus on and advise SSF City Council.

Survey Strategy Aligned to

SSF 2040 General Plan - 7 Equitable Community Goals (ECS)

1. Level of involvement/transparency with SSF residents in city's decision-making processes
2. Equity within City systems and processes
3. Equity in educational, recreational, and community-building opportunities
4. Facilities meeting the needs of current and future residents
5. Perception of equitable & accessible educational opportunities for SSF children/youth
6. Level of trust between public safety departments and communities
7. Perception of inclusive educational and social services within the SSF public library

Let's Test Out The
FLASH Survey
