In accordance with California Government Code Section 54957.5, any writing or document that is a public record, relates to an open session agenda item, and is distributed less than 72 hours prior to a regular meeting will be made available for public inspection at the City Manager's Office in City Hall. If, however, the document or writing is not distributed until the regular meeting to which it relates, then the document or writing will be made available to the public at the location of the meeting, as listed on this agenda.

To make a public comment during the Zoom session, join the meeting from your computer or mobile device, enter your name, and request to comment through the "Chat" function and a staff person will add you to the queue for comments and unmute your microphone during the comment period. Please be sure to indicate the Agenda item number you wish to address or the topic of your public comment. California law prevents the Commission from taking action on any item not on the Agenda (except in emergency circumstances). Your question or problem may be referred to staff for investigation and/or action where appropriate or the matter may be placed on a future Agenda for more comprehensive action or report.

COMMENTS ARE LIMITED TO THREE (3) MINUTES PER SPEAKER. Thank you for your cooperation.

**Remote Public Comment:**

Members of the public wishing to participate are encouraged to submit public comments in writing in advance of the meeting. The email and phone line below will be monitored during the meeting and public comments received will be read into the record. A maximum of 3 minutes per individual comment will be read into the record. Comments that are not in compliance with the Commission's rules of decorum may be summarized for the record rather than read verbatim.

**Email: [youthcommission@ssf.net](mailto:youthcommission@ssf.net)**

Electronic Comments received by email will be monitored during the meeting and read into the record. We ask that you limit your electronic comments so that they comply with the 3 minute time limitation for public comment.
