The department head may also request medical verification that the employee has fully recovered and is able to perform the full scope of the normal and customary duties of the position. This verification shall be required when an employee is absent due to illness or injury for a period of 39 or more work hours. In addition, the department head may require a medical verification any time the department head has reasonable basis to believe that the leave has been abused by an individual employee. Such medical verification request shall not be unreasonably imposed.

As identified in the City's Sick Leave Management Policy Administrative Instruction, abuse of sick leave is defined as the use of sick leave for purposes other than illness or injury. Consistent with this policy, the monitoring, management, maximum use of sick leave, and reporting should conform to a general City standard. Therefore, employees exceeding 56 hours of sick leave per year will be subject to a review of sick leave usage.

11.4 *Industrial Injury or Illness Leave*—An employee who is temporarily and/or partially disabled from performing work as a result of any injury or illness that has been determined to be industrially caused that necessitates the employee's absence from work, shall be

Employees shall be eligible to receive paid industrial injury or illness leave for all time the employee is normally scheduled to work but is unable to work for a maximum period of 90-calendar days following the date in which the injury or illness caused the period of temporary and/or partial disability and necessitated the employee's absence from work. 11.5 *Disability Insurance Program*—

The City will require medical verification from the employee regarding the condition, and may also require medical verification regarding the employee's condition from a medical doctor retained by the City.

11.5.2.3 *Permanent and Stationary Determination*—If the City determines that the employee's disability precludes him/her from performing the full scope of the usual and customary duties of the classification with or without accommodation and the disability is permanent and stationary, then the City may either assist the employee in applying for a disability retirement or otherwise separate the employee from the City's service in accordance with applicable law.

11.5.2.4 *Temporary Determination*—If the City determines that the employee's disability from performing the full scope of the usual and customary duties of the classification is such that there exists a significant probability of complete recovery within a period of 365 days, based on medical verification, then the City has discretion on a case-by-case basis to grant

the employee a leave of absence without pay for a reasonable period of time to recover from the disability. The City reserves the right to require medical verification of the employee's fitness for duty before permitting the employee to return to City service.

11.5.2.5 *Permanent and Stationary Determination During Leave of Absence*—If the City grants an employee a leave of absence without pay for the purpose of providing the employee with the ability to completely recover and the employee's disability becomes permanent and stationary during the period of such leave, then the City may assist the employee in applying for disability retirement or otherwise separate the employee from City service.

11.5.2.6 *Accrued Vacation Payment*—Upon becoming eligible for disability insurance benefits, and upon being granted a leave of absence without pay for a period appropriate to the time necessary to determine an employee's ability to completely recover, the City will pay, at the request of the employee, any accrued vacation time for which the employee qualifies.

11.5.2.7 *Insurance Premium Payment*—The City will continue to pay insurance premiums on behalf of a disabled employee and dependents, pursuant to the provisions for such payments otherwise provided in this Agreement until the actual date of separation from City employment of the employee.

11.6 *Light-duty Program*—The purpose of the light-duty program is to minimize the loss of productive time, while at the same time reintroduce the employee to work to prevent deterioration of skills, facilitate recovery, and reduce income loss. Light-duty assignments will be structured so that employees are not placed in a duty status that would aggravate or cause a reoccurrence of injury or illness. Light-duty assignments will not be made unless the employee receives medical clearance from a physician to return for light duty. This program shall be coordinated with applicable workers' compensation benefits so that benefits are provided at the level not less than those mandated by state law.

11.6.1 *Coverage*—This light-duty program will cover any employee who suffers a temporary and partial disability due to an industrial or non-industrial injury or illness.

11.6.2 *Determination/Required Reports*—

11.6.2.1 *Assignments*—Light-duty assignments may be made following evaluation and determination by the department head. The determination will be based on available medical information, in consultation with the employee and/or the affected supervisor, and based on the needs of the City, and the impact of light duty on departmental operations.

11.6.2.2 *Medical Updates*—Employees who seek light-duty assignments or who are on light-duty assignments are required to provide medical reports regarding the status of their condition to the department head at 2-week intervals, or at other agreed-upon intervals, for as long as the employee is off work. Reports will be required for all industrial or non-industrial injuries or illnesses regardless of whether or not a light-duty assignment

has been made. Reports will be evaluated by the department head for purposes of continuing or terminating a current light-duty assignment or to determine when to commence a light-duty assignment.

11.6.3 *Light-duty Assignment, Definitions, and Restrictions*—Light-duty assignments shall only be provided to employees with temporary disabilities where it has been medically determined that the employee will be able to return to the essential functions of his/her current job with or without accommodation. Under no circumstances shall the light-duty assignment be considered to be a permanent alternative position for purposes of reasonable accommodation under the applicable disability discrimination laws. Light-duty assignments:

- May consist of reduced work hours, limited work, or any combination thereof.
- Will not adversely affect the employee's normal wage rate.
- Will be within the employee's assigned department; or if no regular work is available, the employee may be assigned work outside of the department consistent with skill and ability.
- When feasible will be during the employee's normal shift and duty hours. However, if it is determined that no useful work will be performed during the normal shift or duty hours, the employee can be assigned light duty during the normal office hours of 8:00 a.m. to 5:00 p.m., Monday through Friday.
- Will be developed based for specific light-duty assignments on a case-by-case review of the medical restrictions, so as not to aggravate an injury or illness.

11.6.4 *Holidays/Vacations During Light-duty Assignments*—

11.6.4.1 *Holidays Observed*—Holidays shall be observed in accordance with the light-duty assignment work hours and workweek. That is, if an employee is assigned to work hours in a department, division, or operating unit where employees in that work unit take a holiday off, so shall the light-duty employee. Vacations shall cover the same number of workdays and calendar days as would have been if the employee had remained on full duty. Employees may reschedule their vacation with the approval of the department head, provided the rescheduling does not result in increased costs or lost time to the City for relief staff to cover the rescheduled vacation.

11.6.5 *Return to Full Duty*—Employees will be returned to a full-duty assignment as soon as possible following medical certification that the employee is able to resume the full duties of the classification with or without reasonable accommodation.

Article 19. Grievance Procedure

This grievance procedure shall be applied in resolving grievances filed by an employee covered by this Agreement.

- 19.1 *Definition of a Grievance*—A grievance shall be defined as any dispute that involves the interpretation or application of any provision of this Agreement during its term, excluding all ordinances, resolutions, rules, and regulations, the contents of which are not specifically covered by the provisions of this Agreement. Such excluded ordinances and resolutions shall not be subject to this grievance procedure.
- 19.2 *Time for Filing*—A grievance shall be void unless it is filed in writing within 45-calendar days from the date upon which the City is alleged to have failed to provide a condition of employment that has been established by this Agreement, or within 45-calendar days from the time an employee might reasonably have been expected to have learned of the alleged failure. In no event shall a grievance include a claim for money relief for more than 45-calendar day period, plus such reasonable discovery period.
- 19.3 *Informal Discussion with Employee's Supervisor - Step 1*—Before proceeding to the formal grievance procedure, an employee shall discuss the grievance with the immediate supervisor in private and attempt to work out a satisfactory solution. If the employee and the immediate supervisor cannot work out a satisfactory solution, the employee may then choose to represent himself or herself individually, or may request the assistance of the Union in writing to formally present the grievance.
- 19.4 *Formal Written Grievance - Step 2*—If the employee wishes to formally pursue the grievance, the employee shall present the written grievance to the supervisor's immediate superior within 15-calendar days after the date upon which the grieving employee informally discussed the grievance with the immediate supervisor. The written grievance shall specify the article, section, and/or subsection of the Agreement that is alleged to have been violated by the City and shall specify dates, times, places, persons, and other facts necessary for a clear understanding of the matter being grieved. The supervisor's immediate superior shall return a copy of the written grievance to the employee with an answer in writing within 15-calendar days from receipt of the grievance from Step 1.
- 19.5 *Grievance to Department Head - Step 3*—The department head or designee shall have 15-calendar days after receipt of the grievance to review and answer the grievance in writing.

-
- A meeting between the department head or designee and the grievant with his/her representative is required at this level unless waived by mutual Agreement.

- 19.9 *Selection of Arbitrator*—The arbitrator shall be selected by mutual agreement between the City Manager or designee and the grievant or representative. If the City Manager or designee and the grievant or representative are unable to agree on the selection of an arbitrator, they shall jointly request the State Mediation and Conciliation Service to submit a list of 7 qualified arbitrators. The City Manager or designee and the grievant or representative shall then alternately strike names from the list until only one-name remains, and that person shall serve as arbitrator.
- 19.10 *Duty of Arbitrator*—Except when an agreed statement of facts is submitted by the parties, it shall be the duty of the arbitrator to hear and consider evidence submitted and to thereafter make written findings of fact and disposition of the grievance that shall be final and binding upon the parties. The decision of the arbitrator shall be based solely upon the interpretation of the appropriate provisions of the Agreement applicable to the grievance and the arbitrator shall not add to, subtract from, modify, or disregard any of the terms or provisions of the Agreement.
- 19.11 *Power of the Arbitrator*—The provisions for arbitration are not intended and shall not be construed to empower an arbitrator to change any condition of employment specifically covered by the Agreement or to revise, modify or alter in any respect any provision in the Agreement.
- 19.12 *Payment of Costs*—Each party to a hearing before an arbitrator shall bear own expenses in connection therewith. All fees and expenses of the arbitrator shall be borne half by the City and half by the grievant, except that the moving party must pay any cancellation charge for both parties if an arbitration session is canceled without sufficient notice to the arbitrator.
- 19.13 *Effect of Failure of Timely Action*—Failure of an employee to file an appeal within the required time period at any level shall constitute an abandonment of the grievance. Failure of the City to respond within the time limit at any step shall result in an automatic advancement of the grievance to the next step.
