Dear Mayor Nicolas and City Councilmembers,

My name is Robena Roidmaier and I am a resident of the City of South San Francisco. My son, Philip Roidmaier was born with a disability. I support For the Future Housing's project at 428 Baden Avenue because our city needs more deeply affordable housing near jobs, public transit, and services. In my experience, looking for affordable housing in South San Francisco, my son has little to no options to find housing that is affordable to him because of his limited income. This project will help other residents of South San Francisco, like my son, who grew up in this community and because of a disability cannot afford to live here independently.

*Sincerely,
Robena Roidmaier*
