City Clerk Rosa Acosta,

Passing a ceasefire resolution in South San Francisco provides extra protection to our Palestinian and MENSA (Middle Eastern, North African, South Asian) communities who are being targeted nationwide and would produce added pressure if SSF joins the chorus of other cities in the Bay Area (Richmond, Oakland, Chicago, and San Francisco among others) calling for an end to this U.S. funded genocide. Let's pass a ceasefire resolution in South City!!

CEASEFIRE NOW!

Ana Perez
