

Review November 2022

Section A - Planning Division requirements shall be as follows:

General:

8) We have posted and noted the parking area for Hometown Bowl. Visible signs are located inside the bowling alley, noted in our emails to customers reserving bowling lanes and security informs guests upon arrival.

9) We have taken extra measures to ensure the surrounding area within 500 feet of the establishment, including the adjacent neighborhood, parking lots and alleyway, in a clean and orderly manner during and after regular business hours and any private events. We have also hired additional security personnel to assist.

10) We have established a phone line and comment box - located at the front desk, to address any concerns.

11) Vince and Trung are in contact with special events officers, especially when big events are booked.

12) We have a log that includes historical event data that is kept for all events.

13) In partnership with Liza Normandy from the SSF Chamber of Commerce, we were not able to reach our Go Fund Me Goal of \$7K to bring back the Astro Boy mural. We are open to revisiting this project if funding is established.

14) The wooden roof sign at the northwestern has been removed on October 20, 2021.

16) We have been responsive and have participated in all reviews asked of us from the Planning Department.

17) Hometown Bowl uniform has been provided to all our staff including security guards. They are all required to wear this while working.

18) We have worked and continue to work with our Audio/Video team to ensure we meet the sound decibel measurements set forth by SSF. In compliance with SSFMC Chapter 8.32, Noise Regulations.
