REPORT OF  
SEWER RENTAL CHARGES FOR 2017-2018  
IN ACCORDANCE WITH CHAPTER 14.12.70 OF THE  
SOUTH SAN FRANCISCO MUNICIPAL CODE

---

In accordance with Chapter 14.12.70 of the South San Francisco Municipal Code, the following report prepared as of June 19, 2017 is submitted. The report describes the procedure of charging those parcels of real property, which directly receive the benefits of municipal sanitary sewer services and the amount of the annual charge or rental, which will be imposed against each parcel for Fiscal Year 2017-2018.

1. Summary of Rentals or Charges. The following is a summary of the annual rental or charges for Fiscal Year 2017-2018.

All commercial and industrial properties	\$ 9,699,248
All residential properties, except those serviced by Westborough County Water District	\$ 9,126,797
Billed by Statement	<u>\$ 380,035</u>
Total	\$ 19,206,080

2. Sewer Rental Account File. This report refers to and incorporates by reference the report entitled "Rate Determination and Revenue Program Summary," prepared by and on file at the City of South San Francisco Water Quality Control Plant. The report summarizes the Fiscal Year 2017-2018 sewer rental charge that will be proposed to the City Council on June 28, 2017. Upon adoption of the proposed charges, or amendments thereto, a report entitled "City of South San Francisco Sanitary Sewer Charges", prepared by Engineering Data Services, Los Altos, California, will be completed. The report will describe by Assessor's Parcel Number each parcel of real property receiving directly the benefits of municipal sanitary sewer service and the amount of annual charge or rental imposed against each parcel for Fiscal Year 2017-2018. All of these documents, including this report shall be filed with the County Tax Collector or Auditor. Accompanying the filing of this report shall be the Clerk's endorsement that the report has been adopted by the City Council.
