Subject: Vote on Housing Development, Mission Road

To Mayor Matsumoto and Council Members, We are very aghast and agitated at the proposed development, 800 units?

There is no dispute on the need for housing. But, to add to the horrible traffic mess on El Camino/Westborough/Hickey/Junipero Serra.

Just drive during commute hours, weekends., And, of course, the close-in neighbors are against changing their character.

Vote No. There must, has to be a better development/planning, perhaps a smaller, less intense one.

As long term Westborough residents, we have witnessed the impact of developments, and, adding probably 600 plus autos , Not The Answer.

It was bad enough passing the additional sales tax increase based on Questionable Facts,
We Don't Want to be a mini San Francisco.
