**Subject:** NO to the proposed 800 units at the PUC site

Dear Mayor Matsumoto and members of the South San Francisco City Council,

I live in the Sunshine Gardens neighborhood, and I am expressing my concern of the proposed 800 units at the PUC site. I support affordable housing, but 800 units are too much for this area. The traffic on Mission is already a nightmare as it is during rush hours. I understand that each unit will be assigned one parking space, which is not reasonable as most households have a minimum of two cars. As such, this will also exacerbate the parking issues in this neighborhood. I hope you will seriously consider dialing back on the number of units at the PUC site.

Respectfully yours,

Nancy Kwong
