The interest of the City is served best by actual and regular participation by Board and Commission members. Thus, upon the second absence from a regular meeting within any rolling twelve-month period, a member shall receive a written communication from the Mayor requesting that the member respond to the Mayor with an explanation for said absences within one week of the member's receipt of the written communication. The Mayor shall report to the City Council the reasons provided for the member's absences. If the City Council determines that the absences occurred for legitimate reasons, the City Council may excuse both or one of the absences. Members are also encouraged to give advanced notice of their absence from meetings.

Applications are accepted on a continuous basis and will remain valid 1 year from the date of submission. If you are selected to serve on a Board or Commission, you may be required to file an Annual Statement of Economic Interest (FPPC Form 700).
