## Questions directed by the City Council at its Regular Meeting of December 09, 2020:

\* **What do you view as the greatest issue presently confronting the City Council of the City of South San Francisco?**

Ensuring we can provide the best services possible to citizens in light of budget impacts from COVID.

\* **What in your background will best prepare you to function as an elected official?**

I am an experienced attorney with a background in finance. I've provided counsel to members of Congress, executives of billion dollar companies and have also engaged with the city counsel and school board on local matters. I can quickly get up to speed and am excited about the opportunity to serve my neighbors in South City.

\* **What role do you believe local government should fulfill in people's lives?**

Keep residents safe. Provide key services for health and wellbeing, like the City does with its excellent parks department. Ensure all who want to stay in South City can find a place to live, which the city's done through its approval of new housing.

\* If appointed, do you plan to run for city council in 2022?
