Please include additional information on a separate sheet and/or attach your resume.

What do you view as the greatest issue presently confronting the City Council of the City of South San Francisco?

The financial hardship of Covid and struggle of maintaining food on the table, housing, paying bills, and planning on repaying student loans.

What in your background will best prepare you to function as an elected official?

I've served on many advisory committees, lobbied for social causes to address inequities, lobbied for change and worked in constituent services for Senator Barbara Boxer and Congresswoman Speier.

What role do you believe local government should fulfill in people's lives?

I believe city government is the most impactful of government for each citizen. It should provide support for the goals of it's citizens, foster the civic engagement of the next generation, and provide support for those who need it most in our community.
