# Public Outreach

- Public input is vital to this process
- County outreach efforts to date include:
  - In-person tabling events in every current district
  - Newspaper/radio ads in English, Spanish, Chinese, and Tagalog outlets
  - Targeted canvassing/flyering in communities considered “hard to reach” per census and targeted mailing of postcards to 27,000+ households
  - Distribution through countywide network of community orgs (part of census partnership network)
