***Why do you want to be a member of a Board or Commission? What do you feel you could contribute to the Board or Commission?**

I am a child of South San Francisco. When my parents migrated to the United States they decided to settle in this city. I have grown up in this city and believe we cannot move forward unless we take lessons from the past into account for the future and not completely forget it. My hope is assist South City into the future while blending the aesthetics of historic South City with that of what is to come. My love for this city will be beneficial to this board.

***What qualifies you for this appointment?**

Being a lifelong resident and wanting to stay here in the city I am invested whole heartedly and would like to continue to make this city an inclusive place to live.

***What is your vision for growth in South San Francisco?**

My vision for the future SSF would be one that is easily connected by public transportation. It would retain craftsman buildings but have the downtown area be more of a hub. The waterways would be utilized more for recreation and our trails would be safe. We would have more city wide events and utilize our waterfront more. I would love to have more small businesses in the area all while maintaining the affordability for low & middle class families. It would be an inclusive place no mater age.

Thus, upon the second absence from a regular meeting within any rolling twelve-month period, a member shall receive a written communication from the Mayor requesting that the member respond to the Mayor with an explanation for said absences within one week of the member's receipt of the written communication. If the City Council determines that the absences occurred for legitimate reasons, the City Council may excuse both or one of the absences. Members are also encouraged to give advanced notice of their absence from meetings.
