***Why do you want to be a member of a Board or Commission? What do you feel you could contribute to the Board or Commission?**

I love South San Francisco. But growing up, I experienced how difficult it is to get around by foot or by bicycle and the social and environmental costs of the city's transportation system. I am excited to help implement the recently-passed Vision Zero policy, make recommendations for the Vision Zero Action Plan and updated Active Transportation Plan, and identify and assess capital improvement projects and funding priorities.

***What qualifies you for this appointment?**

I will use my lived experience, my passion for safety and equity, my education, and my professional experience while on the Bicycle and Pedestrian Advisory Committee. I grew my passion for bicycle and pedestrian planning while growing up in South San Francisco, started my career as an urban planner working for the City of South San Francisco, went to graduate school to study transportation planning, and am now a transportation planner for a neighboring jurisdiction. At my current job at the San Francisco Municipal Transportation Agency, I do strategic and long-range transportation planning for all modes, including active transportation, emerging mobility, and curb management. My expertise includes funding, capital planning, and policy.

***What is your vision for growth in South San Francisco?**

I envision a South San Francisco that is safe, equitable, and sustainable now and in the future. As the city plans for growth, it will have enough housing, especially affordable housing, have excellent transit service, walking, and bicycling options, especially for the most vulnerable road users, and will be well-connected to the region.

***Are you currently receiving any form of compensation from the City of South San Francisco for work performed? If yes, please explain.**

No

***Do you have any relatives serving on Council, Commissions, Boards, and Committees or otherwise employed by the City of South San Francisco? If yes, include name, position and relationship.**

No

***EDUCATION - Please include name and location of college/university/technical or trade school with dates attended and major.**

o University of California, Los Angeles, 2013-2015, Master of Urban and Regional Planning with a concentration in Transportation Policy and Planning o Loyola Marymount University, Los Angeles, 2007-2011, Bachelor of Science in Economics and Urban Studies and a Minor in Environmental Studies

***What community activities are you presently involved in, or have been in the past?**

I'm active in a local community group called Sustainable South City of residents who care about sustainability and equity in South San Francisco and am a member of the Silicon Valley Bicycle Coalition.

MILITARY SERVICE - Please include dates and branch.

****SKIPPED****

***WORK EXPERIENCE - Please include dates employed, employer and position.**

o Transportation Planner at San Francisco Municipal Transportation Agency, Policy and Long-Range Planning and the Office of Innovation, May 2017-present o Transportation Planner / Funding Analyst and Intern at Metropolitan Transportation Commission and Association of Bay Area Governments, June 2015-May 2016 o Office Specialist, Parks and Recreation Department at City of South San Francisco, May 2013-September 2013

Attachment Resume

Yip South San Francisco BPAC resume.pdf

Please list any other background information (business, education, personal) that might be useful in determining your eligibility.

****SKIPPED****

***By typing my name, I certify that, to the best of my knowledge, all statements in this application are complete and true. I agree and understand that any misstatement of material fact will cause me to forfeit all rights to the appointment to a Commission, Board, or Committee.**

Darryl Yip

The interest of the City is served best by actual and regular participation by Board and Commission members. Thus, upon the second absence from a regular meeting within any rolling twelve-month period, a member shall receive a written communication from the Mayor requesting that the member respond to the Mayor with an explanation for said absences within one week of the member's receipt of the written communication. The Mayor shall report to the City Council the reasons provided for the member's absences. If the City Council determines that the absences occurred for legitimate reasons, the City Council may excuse both or one of the absences. Members are also encouraged to give advanced notice of their absence from meetings.

Applications are accepted on a continuous basis and will remain valid 1 year from the date of submission. If you are selected to serve on a Board or Commission, you may be required to file an Annual Statement of Economic Interest (FPPC Form 700) and bi-annual Ethics Training (AB1234).

Once this form is submitted, you will receive a response from the Office of the City Clerk within three business days to provide you with information regarding the next steps. Please keep an eye out for this email. If you do not receive an email, please call us at (650) 877-8518.

THIS FORM IS A PUBLIC RECORD, DISCLOSABLE PURSUANT TO GOVT. CODE 6250 ET SEQ.
