Ordinance amending Title 2 of the South San Francisco Municipal Code to establish the Bicycle and Pedestrian Advisory Committee.

WHEREAS, the City desires to adopt by ordinance a Bicycle and Pedestrian Advisory Committee ("BPAC") to advise and make recommendations to the City Council on policy, improvements, operation, and maintenance of the City's bicycle and pedestrian facilities; and

WHEREAS, a majority of boards and commissions within the City serve a term of four years with a three year term limit and a term is defined as two years plus one day; and

WHEREAS, the members of BPAC shall be subject to the same limitation of terms, and definition of a complete term for efficient administration of appointments and consistency among the various boards and commissions; and

WHEREAS, BPAC shall serve as an advisory committee and make recommendations to the City Council on policy, programming, improvements, operation, maintenance, accessibility, and usage of bicycle and pedestrian facilities throughout the City; and

WHEREAS, based on all of the information presented at the April 10, 2019 City Council meeting, both written and oral, including without limitation the public comment, staff reports, minutes, and other relevant materials (hereafter the "Record"), the City Council finds that under CEQA Guidelines Sections 15378 and 15061(b)(3), this Ordinance amendment does not constitute a project under CEQA as it is an organizational structure change that will not result in any direct or indirect physical change in the environment and therefore review under CEQA is not required pursuant to CEQA Guidelines Section 15060.
