Report regarding approval of a resolution providing a letter of support for the San Mateo County Transit District (SamTrans) Emission Zero: North Base Transformation project.

RECOMMENDATION

It is recommended that the City Council approve a resolution authorizing the Mayor to sign a letter of support for the San Mateo County Transit District (SamTrans) Emission Zero: North Base Transformation project.

BACKGROUND/DISCUSSION

The City Manager and Chief Sustainability Officer met with SamTrans representatives regarding the Emission Zero: North Base Transformation Project to better understand the program scope, regulations, fleet performance, and potential impacts to the North Base fleet and maintenance yard, located off at 301 N. Access Road in South San Francisco.

The Emission Zero: North Base Transformation project demonstrates SamTrans' commitment to reducing the impacts of transportation on air quality and climate locally, regionally, and nationally. Additionally, the project accelerates SamTrans' compliance to transition its fleet to a 100% zero emissions fleet ahead of the state 2040 mandate.

Based on the presentation provided to City staff, staff is recommending Council provide a letter supporting

SamTrans' efforts to pursue grant funding for Low or No Emission grants.

FISCAL IMPACT

There is no fiscal impact to the City.

RELATIONSHIP TO STRATEGIC PLAN

Support of SamTrans Emission Zero: North Base Transformation project aligns with the City's strategic planning goals of building and maintaining a sustainable city.

CONCLUSION

It is recommended that the City Council approve a resolution authorizing the Mayor to sign a letter of support for the San Mateo County Transit District (SamTrans) Emission Zero: North Base Transformation project.
