Community Civic Campus Project Design Update (*Marian Lee, Assistant City Manager and Smith Group, Master Architect*)

RECOMMENDATION

Presentation regarding Community Civic Campus Project Design Update.

BACKGROUND/DISCUSSION

The design proposal is being shared at multiple public venues for input by the Design Review Board, Parks & Recreation Commission, Library Board of Trustees, Planning Commission and the Bicycle and Pedestrian Commission.

These meetings are also being publicized to the community to encourage their attendance and review.

We are presenting this to the Measure W Citizens' Oversight Committee to provide up-to-date information about the project since it will be funded mostly by Measure W funds.

Attached is the presentation that will be provided at the meeting.

FISCAL IMPACT

None.

CONCLUSION

A finalized form of this schematic design will be presented to City Council on June 12th for their approval.
