

## Planning Resubmittal – DRB Response to Recommendations

TO: Design Review Board  
City of South San Francisco Planning Division

FROM: Mary Peterson  
(mp@dormanassociates.com)  
Dorman Associates, Inc.

DATE: December 15, 2025

PLANNING NO: P25-0064: DR25-0013

PROJECT ADDRESS: 2360\* Galway Dr., South San Francisco

\*new address assigned from original submittal

*2. Consider adding a curb wall, seat wall, or shelf wall under the fence or place boulders into the entrance facility to protect the courtyard from vehicle traffic.*

**Response:** Updates were made to the concrete walkway adjacent to the entry drive to incorporate an additional landscape strip and boulders between the drive aisle and walkway / play area fencing.

*3. Consider using aluminum light fixtures to help with wear and tear to prevent corrosion and decay.*

**Response:** All proposed exterior light fixtures are aluminum.

*4. Consider adding a “Nano Coating” to the building to help with any potential graffiti.*

**Response:** Anti-graffiti coating will be used at all public-facing sides of walls.
